ASSIGNMENT

We, the undersigned,

Meniett AG
Platz 3
6039 Root D4
Switzerland

(hereinafter referred to as the Assignors)

confirm by the present document that we have assigned, and do hereby assign, all our rights and title to as well as our interest in the patents listed in the Patent Schedule

to

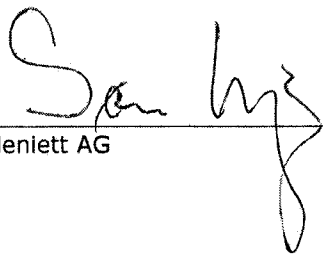

LINA Medical ApS
Formervangen 5
2600 Glostrup
Denmark

The present Assignment covers all countries of the world and the Assignee is hereby entitled to file applications in any country and to abstain from seeking patent protection in any and all countries at its discretion.

The present Assignment also includes our right to claim priority from the patents identified in the Patent Schedule under the Paris Convention or any other multilateral or bilateral treaty.

The Assignors hereby agree to execute any additional assignments and/or other documents required in connection with the prosecution of the patent applications as well as to perform any additional acts necessary to enable the Assignee or its successors, legal representatives and assigns to enjoy the full rights of the present Assignment, including applying for a patent for the invention in the USA and assigning the US patent application and any patent(s) issuing thereon to the Assignee or its successors and assigns and legal representatives.
