ASSIGNMENT OF INTELLECTUAL PROPERTY

WHEREAS, I, **Fielding B. Staton** of Liberty, Missouri, inventor, applicant and owner of the following intellectual property matters listed on Schedules A and B, attached hereto; and

WHEREAS, **Newtonoid Technologies, L.L.C.**, a limited liability company having its principal place of business at 1113 Aspen Drive, Liberty, Missouri (64069), is desirous of acquiring an interest in, to and under said intellectual matters listed on Schedules A and B.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, Fielding B. Staton, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto said Newtonoid Technologies, L.L.C., the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) all United States and foreign patents listed in Schedule A;
- (b) all United States and foreign patent applications listed in Schedule A;
- (c) any and all refilings, divisions, continuations and continuations-in-part of the United States and foreign patents and patent applications listed in Schedule A;
- (d) any and all patents of the United States of America or any foreign country which may issue from any of the above items;
- (e) any and all reissues and reexaminations of those United States or foreign patents;
- (f) any and all applications for patent upon said invention which may hereafter be filed in any and all countries;
- (g) any and all refilings, divisions and continuations of said applications;
- (h) any and all patents, certificates, and registrations which may issue from those applications, refilings, divisions, and continuations;
- (i) any and all extensions of, and additions to, the applications and patents, certificates, and registrations related thereto;
- (j) all claims, causes of action and damages for past, present and future infringement or other unauthorized use, if any, of said applications, said

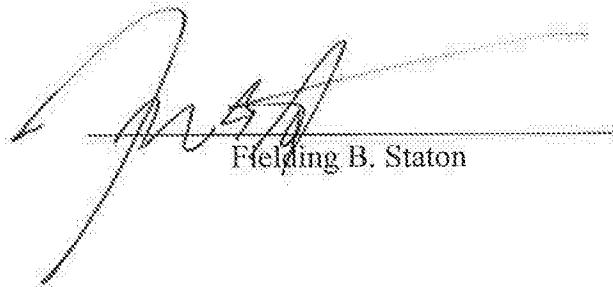

patents and said invention, with the right to sue for, and to collect damages and other relief for same;

- (k) all registrations and applications for the Marks listed on Schedule B, together with the goodwill of the business symbolized by the Marks;
- (l) any other applications for Marks, and registrations that may issue therefrom, and any renewals thereof;
- (m) all common law rights associated with the Marks, including all common law rights associated with the Marks, the right to sue or otherwise recover for any and all past, present, and future infringement of the Marks, all income, royalties, damages, and other payments now and hereafter due and payable with respect to the Marks, and all other rights, whether statutory or common law, corresponding thereto and all other rights of any kind whatsoever accruing thereunder.

I, Fielding B. Staton, further agree that upon request I will provide promptly all pertinent facts and documents relating to said intellectual property and legal equivalents as may be known and accessible and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Newtonoid Technologies, L.L.C., or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application(s) and registrations, said inventions and said intellectual property and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

All of the above shall be held and enjoyed by said Newtonoid Technologies, L.L.C., for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said intellectual property may be granted, and I hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent and Trademarks in accordance with this Assignment.
