ASSIGNMENT OF PATENT APPLICATION RIGHTS

This Assignment of Rights to a Patent Application, hereinafter the "Agreement", is made freely by and between DaVinci Biosciences LLC, a California limited liability company with a principal place of notification at 122667 Old Canal Rd, Yorba Linda, CA 92887, hereinafter "Assignor", and Regeneration Worldwide Company Inc., a Panama Corporation with a principal place of notification at Via Cincuentenario, Urbanización La Fontana, Calle Principal, No. 1A, Corregimiento de Parque Lefevre, Ciudad de Panamá, Rep. de Panamá, hereinafter "Assignee", referred to collectively as the "Parties".

WHEREAS, Assignor is the owner of "Natural Killer Cells and Methods for Enhancing Viability, Proliferation and Cytotoxicity of Same Following Cryopreservation" as described in the U.S. Utility Patent Application Number 14/847,982, filed September 8, 2015 (the "Patent Application").

WHEREAS, Assignee wishes to acquire all rights in and to the Patent Application and the Patent (and any reissues or extensions or derivative applications or patents that in any way relate back or claim priority to the Patent Application) that may be granted.

NOW, therefore, the Parties agree as follows:

1. Assignment. Assignor does hereby irrevocably assign to Assignee all right, title, and interest (in the invention and Patent Application (as well as such rights in any divisions, continuations in whole or part or substitute applications) to Assignee for the entire term of the issued Patent and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications (as well as divisions, continuations in whole or part or substitute applications) filed claiming the benefit of the Patent Application. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.
2. Consideration. For valuable consideration paid from Assignee to Assignor, the receipt of which is acknowledged.
3. Representations and Warranties. Assignor represents and warrants to Assignee:
 - (a) Assignor has the right power and authority to enter into this Agreement;
 - (b) Assignor is the exclusive owner of all right, title and interest, in the Patent Application;
 - (c) The Patent Application is free of any liens, security interests, encumbrances or licenses;
 - (d) The Patent Application does not infringe the rights of any person or entity;

ASSIGNMENT OF U.S. PATENT 14847982

(e) There are no claims, pending or threatened, with respect to Assignor's rights in the Patent Application;

(f) This Agreement is valid, binding and enforceable in accordance with its terms in all jurisdictions pertaining hereto; and

(g) Assignor is not subject to any agreement, judgment or order inconsistent with the terms of this Agreement.

(h) Assignor authorizes the United States Patent and Trademark Office to issue any Patents resulting from the Patent Application to Assignee.

(i) Assignor further agrees to cooperate with Assignee in the prosecution of the Application and foreign counterparts; execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and perform such other acts as Assignee lawfully may request to obtain or maintain the Patent for the invention in any and all countries.

4. Entire Agreement. This Agreement contains the entire understanding and agreement between the Parties with respect to the Patent Application and supersedes and prior or contemporaneous written or oral agreements, representations or warranties between them respecting the subject matter hereof.

5. Amendment. This agreement may only be amended by written agreement signed by the Parties.

6. Severability. If any term, provision, covenant or condition of this Agreement, or the application thereof to any person, place, or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such term, provision, covenant or condition as applied to other persons, places and circumstances shall remain in full force and effect, except as mandated by ruling.

7. Governing Law. This agreement shall be construed in accordance with the laws of the United States, the State of California and the County of Los Angeles and the 9th Circuit Court of Appeals, Central District of California.
