<u>PCT</u> <u>Application No.</u>	<u>Title</u>	<u>Filing Date</u>
US2002/25748	Single Fault Impervious Integrated Control and Monitoring System	8/13/2002

and any and all applications for patent and patents therefor in any and all countries, including all divisionals, reissues, continuations, continuations-in-part, and extensions thereof, and in all inventions set forth and described therein, together with all rights of priority resulting from the filing of the Applications and the issuance of the Letters Patent in the United States, and the right to sue in its own name and to recover for past infringement of any of the Letters Patent.

Assignor hereby covenants, warrants, and represents to Assignee that (i) Assignor is the sole owner of and has the exclusive right to use the Letters Patent and the Applications, free and clear of any liens, encumbrances, licenses, or claims of any nature, and has made no agreement with respect to the Letters Patent and the Applications that is in conflict with this Assignment, and (ii) except as described above, no other registration has been effected or is on file with the appropriate governmental agencies with respect to the Letters Patent or the Applications.

Assignor agrees, for itself and its successors and assigns, that on request and without further

consideration, but at the expense of Assignee, Assignor shall communicate to Assignee or its designated representatives or nominees any facts known to Assignor respecting the Letters Patent, the Applications, and the inventions set forth therein, and shall testify in any legal proceeding, sign all lawful documents, execute all divisional, continuing, and reissue applications, make all rightful oaths or declarations, and generally do everything possible to aid Assignee, its successors, assigns, and nominees to obtain, maintain, and enforce patent protection in all countries for the inventions set forth in the Letters Patent and the Applications and in all foreign counterparts thereof.

IN WITNESS WHEREOF, the undersigned executes this Assignment under the penalty of perjury under the laws of this state on 3/14, 2014.

ASSIGNOR

NEW BEDFORD PANORAMEX
CORPORATION

By

Steven R. Ozuna, President

ACKNOWLEDGMENT

State of CA)
County of Los Angeles)

On March 12, 2014, before me, Erick De Leus, a notary public, personally appeared Steven R. Ozuna, who proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within Patent Assignment instrument and acknowledged to me that he executed the same in his authorized capacity and that by his signature on the instrument the person, or the entity upon behalf of which the person acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of CA that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

Erick De Leus
