INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (“**Agreement**”) is entered into as of May 22, 2017 among **Citibank, N.A.**, as administrative agent (in such capacity, the “**Administrative Agent**”), **OpenMail LLC** (the “**Borrower**”), **Dotzup Holdings LLC** (“**Dotzup**”), and **Infospace Holdings LLC**, each, a Delaware limited liability company (“**Infospace**” and together with the Borrower and Dotzup, each, a “**Grantor**” and collectively, the “**Grantors**”). Reference is hereby made to that certain Amended and Restated Loan and Security Agreement of even date herewith among the Borrower, the several banks and other financial institutions or entities from time to time parties thereto (collectively, the “**Lenders**”) and Administrative Agent (as further amended, restated, supplemented, or otherwise modified from time to time, the “**Loan Agreement**”). Capitalized terms used herein and not otherwise defined have the meanings given to them in the Loan Agreement.

RECITALS

A. The Lenders have agreed to make certain advances of money and to extend certain other financial accommodations to the Borrower (collectively, the “**Loans**”) in the amounts and manner set forth in the Loan Agreement. The Lenders are willing to make the Loans to the Borrower, upon the condition, among others, that each Grantor shall grant to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in its Copyrights, Trademarks, Patents, and Mask Works (as each term is defined below) to secure the Obligations.

B. Pursuant to the terms of the Loan Agreement, the Borrower has granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in substantially all of the Borrower’s right, title, and interest, whether presently existing or hereafter acquired, in, to, and under all of the Collateral.

C. Pursuant to the terms of that certain Amended and Restated Guaranty and Security Agreement of even date herewith, made by each of Dotzup, Infospace, Qool Media Holdings LLC and Stuff Media LLC (collectively, the “**Guarantors**”), in favor of the Administrative Agent, the Guarantors have each granted to the Administrative Agent for the ratable benefit of the Secured Parties, a security interest in substantially all of their respective rights, title, and interest, whether presently existing or hereafter acquired, in, to, and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and full payment when due of the Obligations, the parties hereby agree as follows:

AGREEMENT

1. Grant of Security Interest. To secure the Obligations to the Administrative Agent during the term of the Loan Documents, each Grantor grants and pledges to Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor’s right, title, and interest in, to, and under its Intellectual Property (all of which shall collectively be called the “**Intellectual Property Collateral**”), including without limitation the following:

(a) Any and all United States copyright applications and copyright registrations, now or hereafter acquired, including without limitation the copyright registrations set forth on **Exhibit A** attached hereto (collectively, the “**Copyrights**”);

(b) All United States patents and patent applications, including without limitation improvements, divisions, continuations, renewals, reissues, extensions, and continuations-in-part of the same, including without limitation the patents and patent applications set forth on **Exhibit B** attached hereto (collectively, the “**Patents**”);

(c) Any United States trademark registrations and applications to register, and the entire goodwill of the business of the Grantor connected with and symbolized by such trademarks, including without limitation the trademark registrations and applications set forth on **Exhibit C** attached hereto (collectively, the “**Trademarks**”);

(d) All registered United States mask works now owned or hereafter acquired, including without limitation those set forth on **Exhibit D** attached hereto (collectively, the “**Mask Works**”);

(e) Any and all claims for damages by way of past, present, and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the Intellectual Property identified above;

(f) All licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(g) All amendments, renewals, and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(h) All proceeds of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

Notwithstanding the foregoing, the Intellectual Property Collateral shall not include any Excluded Property.

2. Recordation. Each Grantor authorizes the United States Commissioner for Patents and Trademarks and the United States Register of Copyrights to record and register this Agreement upon a request by the Administrative Agent.

3. Loan Documents. This Agreement has been entered into pursuant to and in conjunction with the Loan Agreement, which is hereby incorporated by reference. The provisions of the Loan Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Administrative Agent with respect to the Intellectual Property Collateral are as provided by the Loan Agreement and the other Loan Documents, and nothing in this Agreement shall be deemed to limit or expand such rights and remedies.

4. Termination; Release. Upon (a) the sale or disposal of any Intellectual Property Collateral in connection with any sale or other disposition permitted under the Loan Documents or (b) the Discharge of Obligations and termination of the Revolving Commitments, the Administrative Agent shall execute, acknowledge, and deliver to the applicable Grantor an instrument in writing in recordable form releasing the collateral pledge, grant and security interest in the Intellectual Property Collateral (in whole or in part, as applicable) under this Agreement.

5. Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, and all of which when taken together shall constitute a single contract.

Electronic delivery of an executed counterpart to this Agreement shall be effective as delivery of a manually executed counterpart of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Intellectual Property Security Agreement as of the first date above written.
