JONATHAN ROSS SARGENT, having an address at 205-828 Cardero Street, Vancouver British Columbia, V6G 2G5, Canada; and

JAMES DANIEL SENIOR, having an address at 15-17097 64th Avenue, Surrey, BC, Canada V3S 1Y5;

(hereinafter referred to as "Assignor")

are the joint inventors of the invention or inventions (the "Invention"), for which an application for Letters Patent entitled "Photochromic-Electrochromic Compositions" has been made on December 12, 2014 under Serial No. 62/091,369;

Whereas, I/we **Switch Materials, Inc.** (hereinafter referred to as "Assignee") having a place of business at **3650 Gilmore Way, Burnaby, British Columbia, V5G 4W8, Canada** is desirous of acquiring and having assigned to it the full right, title and interest in and to the Invention and in and to any Letters Patent that may be granted therefor in any and all countries and jurisdictions; and

Whereas Assignor and Assignee have agreed to make such assignment;

NOW, THEREFORE, in consideration of the foregoing premises, and of the sum of one dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers absolutely to the Assignee and to all of the Assignee's successors and assigns, the full and exclusive right, title and interest in and to:

- (a) the Invention worldwide;

(b) any and all patent applications for the Invention in all countries and jurisdictions and under all conventions and treaties, including the right to claim for any and all applications any priority rights to which such applications are entitled under conventions, treaties or otherwise, and all divisions, extensions, continuations, continuations-in-parts, provisionals, non-provisionals, substitutions and renewals thereof;

(c) all Letters Patent which may be granted therefor in any and all countries and jurisdictions, and any renewals, reissues, re-examinations or extensions of the Letters Patent, and

(d) the exclusive right to bring or participate in any proceeding for past infringement or any other actionable right under all of the foregoing and to receive all remedies that arise therefrom, to the end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this Assignment not been made.

Assignor hereby authorizes and requests the patent offices in all countries and jurisdictions to issue any and all of the Letters Patent, when granted, to the Assignee.

Further, Assignor agrees that Assignor will communicate to the Assignee or its representatives any facts known to us respecting the Invention, and testify in any legal proceeding, sign all lawful papers, execute all papers relating to all patent applications including all divisional, continuation, continuation-in-part, extension, renewal, provisional, non-provisional or substitute thereof, and the Letters Patent including any renewal, re-examination, extension and reissue of said Letters Patent, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to the Assignee, make all rightful oaths, and, generally do everything possible to aid the Assignee, its successors and assigns, to obtain and enforce proper protection for the Invention in any and all countries and jurisdictions

And the Assignor and the Assignee hereby authorize the Assignee, or an agent or representative of the Assignee, to correct errors in this Assignment, or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recordal in any country.

CONFIRMATION OF ASSIGNMENT

WHEREAS, **Veronica Elizabeth Patricia Marshman** of 149 – 2000 Panorama Drive, Port Moody, British Columbia, Canada, V3H 5J5 ("Marshman"), is an inventor of an invention entitled **PHOTOCHROMIC-ELECTROCHROMIC COMPOSITIONS** as described in: (i) a provisional patent application filed in the United States Patent and Trademark Office on November 17, 2014 and assigned serial no. 62/070,859 (the "First Provisional Application"); and (ii) a provisional patent application filed in the United States Patent and Trademark Office on December 12, 2014 and assigned serial no. 62/091,369 (the "Second Provisional Application");

WHEREAS, **Switch Materials, Inc.**, a corporation having a place of business at 3650 Gilmore Way, Burnaby, British Columbia, Canada, V5G 4W8 ("ASSIGNEE"), is desirous of confirming that it has acquired and has had assigned to it as of November 17, 2014, and by way of further assurances is desirous of acquiring and having assigned to it, Marshman's full and exclusive right, title, and interest in and to the First Provisional Application and in and to any Letters Patent that may be granted therefor in any and all countries and jurisdictions;

WHEREAS, the ASSIGNEE is further desirous of confirming that it has acquired and has had assigned to it as of December 12, 2014, and by way of further assurances is desirous of acquiring and having assigned to it, Marshman's full and exclusive right, title, and interest in and to the Second Provisional Application and in and to any Letters Patent that may be granted therefor in any and all countries and jurisdictions;

WHEREAS, the First Provisional Application and the Second Provisional Application are herein collectively referred to as the "Invention", and

WHEREAS Marshman and the ASSIGNEE have agreed to make such confirmation of assignment and by way of further assurances such assignment;

NOW, THEREFORE, in consideration of the foregoing premises, and for the sum of one dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Marshman hereby confirms having sold, assigned, transferred and set over absolutely Marshman's full and exclusive right, title, and interest in and to the First Provisional Application to the ASSIGNEE and its successors and assigns as of November 17, 2014, and Marshman's full and exclusive right, title, and interest in and to the Second Provisional Application to the ASSIGNEE and its successors and assigns as of December 12, 2014, and by way of further assurances does hereby sell, assign,

transfer and set over absolutely to the ASSIGNEE, Marshman's full and exclusive right, title, and interest in and to:

- (a) the Invention worldwide;
- (b) any and all patent applications for the Invention in all countries and jurisdictions and under all conventions and treaties, including the right to claim for any and all applications any priority rights to which such applications are entitled under conventions, treaties or otherwise, and all divisions, extensions, continuations, continuations-in-parts, provisionals, non-provisionals, substitutions, and renewals thereof;
- (c) all Letters Patent that may be granted therefor in any and all countries and jurisdictions, and any renewals, reissues, re-examinations or extensions of the Letters Patent; and
- (d) the exclusive right to bring or participate in any proceeding for past infringement or any other actionable right under all of the foregoing and to receive all remedies that arise therefrom, to the end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by Marshman had this confirmation of assignment, and for further assurances this assignment, not been made.

Marshman hereby authorizes and requests the patent offices in all countries and jurisdictions to issue any and all of the Letters Patent for the Invention, when granted, to the ASSIGNEE. Further, Marshman agrees that she will communicate to the ASSIGNEE or its representatives any facts known to her respecting the Invention, and testify in any legal proceeding, sign all lawful papers, execute all papers relating to all patent applications including all divisional, continuation, continuation-in-part, extension, renewal, provisional, non-provisional or substitute thereof, and the Letters Patent including any renewal, re-examination, extension, and reissue of said Letters Patent, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to the ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid the ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for the invention in any and all countries and jurisdictions.
