## ASSIGNMENT

WHEREAS, I, Marius Gjelstad Gundersen of Skien, Norway have invented certain improvements in a CONTAINER, for which I filed International Design Registration No. DM/088939 on September 14, 2015, which was assigned U.S. Design Patent Application Serial No. 35/500,721 in the United States; and

WHEREAS, Mezonic AS, a Norwegian corporation, having its principal place of business in Oslo, Norway, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, I, Marius Gjelstad Gundersen have sold, assigned, and transferred, and do hereby sell, assign, and transfer, to Mezonic AS, its successors and assigns, the full and exclusive right to the invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title, and interest in and to any and all Letters Patent that may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, continuations, reissues, substitutions, and extensions thereof.

I hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to Mezonic AS, as the assignee of my entire right, title, and interest in and to the same, for the sole use of Mezonic AS, and its successors and assigns.

Further, I hereby covenant and agree to and with Mezonic AS, and its successors and assigns, at the time of execution and delivery of these presents, that I am the sole and lawful owner of the entire right, title, and interest in and to the invention and the above-identified patent application, and that the same are unencumbered, and that we have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Further, I agree that I will communicate to Mezonc AS, or its representatives, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, substitution, and extension applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Mezonc AS, make all rightful oaths, and generally do everything possible to aid Mezonc AS, and its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 23 day of MAY, 2017.

Marius G. Gundersen  
MARIUS GJELSTAD GUNDERSEN
