**TERMINATION AND RELEASE OF
FIRST LIEN SECURITY INTEREST IN PATENT RIGHTS**

FIRST LIEN TERMINATION AND RELEASE dated as of April 21, 2017, from JPMORGAN CHASE BANK, N.A., as collateral agent (the "Agent") to each of the Grantors identified on Schedule B hereto (each, a "Grantor"). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Patent Security Agreement or, if not defined therein, then in the Security Agreement (each as defined below).

WITNESSETH:

WHEREAS, pursuant to the First Lien Security Agreement, dated as of August 24, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among TA THI Holdings, Inc., Tectum Holdings, Inc., each Grantor, the other Subsidiary Grantors party thereto and the Agent, each Grantor granted a security interest (the "Security Interest") to the Agent in certain collateral, including all Intellectual Property;

WHEREAS, pursuant to that certain First Lien Patent Security Agreement dated as of August 24, 2016, among the Agent and certain of the Grantors (the "Patent Security Agreement"), each Grantor pledged, collaterally assigned and granted to the Agent, for the benefit of the Secured Parties, and to secure the prompt and complete payment and performance of the Secured Obligations, a security interest in all of such Grantor's right, title and interest in and to all of the following, in each case whether then owned or existing or thereafter acquired, possessed or arising and wherever located (collectively, the "Patent Collateral");

i. all patents and patent applications and rights and interests in patents and patent applications under any domestic or foreign law that at such time were, or thereafter may have been, owned or held by such Grantor and all patents and patent applications and rights, title and interests in patents and patent applications under any domestic law that at such time were, or thereafter may have been, owned by such Grantor in whole or in part (including the United States patents and patent applications set forth on Schedule A annexed hereto), and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof;

ii. all rights to sue or otherwise recover for any past, present and future infringement, dilution, misappropriation, or other violation or impairment of any of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit, then or thereafter due and/or payable with respect thereto and all agreements relating to the license, ownership, development, use or disclosure of any of the foregoing; and

iii. all Proceeds thereof.

WHEREAS, the Patent Security Agreement was recorded with respect to an exclusively licensed patent in the Patent Division of the United States Patent and Trademark Office on August 26, 2016 at Reel 039843 and Frame 0237.

WHEREAS, the Agent now desires to terminate and release the entirety of its Security Interest in the Patent Collateral, and to reconvey any and all rights in the Patent Collateral to the Grantors.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Agent hereby terminates, releases and discharges, without recourse, representation or warranty, with respect to each Grantor, all of its Security Interest in such Grantor's Patent Collateral, and re-assigns to such Grantor any and all right, title or interest it may have in or to such Patent Collateral (without recourse, warranty or representation of any kind), and any right, title or interest of the Agent in such Patent Collateral shall hereby cease and become void. The Agent hereby agrees to duly execute, acknowledge, procure and deliver any further documents and to do such other acts as may be reasonably necessary to effect the release of the Security Interest contemplated hereby. The Agent hereby authorizes the Grantors, or the Grantors' authorized representatives to record this Termination and Release with the United States Patent and Trademark Office and/or any other applicable governmental office or agency in order to memorialize the release of the Security Interest of the Agent in the Patent Collateral.

IN WITNESS WHEREOF, the undersigned has executed this Termination and Release
by its duly authorized officer as of the date first above written.

JPMORGAN CHASE BANK, N.A.,
as Collateral Agent
