ASSIGNMENT
AND REASSIGNMENT

I. ASSIGNMENT

WHEREAS, Joshua King Hoyt a resident of Portland Oregon and David John Sayler, a resident of Portland, Oregon, hereinafter referred to as ASSIGNOR, have, along with others, invented a new and unobvious invention entitled

APPARATUS FOR MULTI DOSING OF WIPE AT POINT OF DISPENSING

for which they have made, along with others, application for a Letters Patent of the United States, such invention being described in and identified by said application having been given Application No. 15/604,520 , and a filing date of May 25, 2017 ; (WE HEREBY AUTHORIZE the Assignee to insert in this assignment document the filing date and application number of the application if the date and number are unavailable at the time this document is executed); and

WHEREAS, Gearhead Associates LLC, having a place of business at 3025 SW 1st Avenue, Portland, Oregon 97201-4707, United States, hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said patent application and said invention, and in and to said Letters Patent, including the equivalent rights thereunder in all foreign countries; and

WHEREAS, ASSIGNOR is desirous of and willing to assign all right, title and interest in and to said Letters Patent and acknowledges that he/she is under a continuing duty to assign said Letters Patent to ASSIGNEE.

NOW, in consideration of the sum of One Dollar (\$1.00) and for other good and valuable consideration received by ASSIGNOR from ASSIGNEE, the receipt of which is hereby acknowledged by ASSIGNOR:

1. ASSIGNOR hereby sells, assigns, transfers and conveys unto ASSIGNEE, the entire right, title and interest in and to said Letters Patent and said invention; including all priority rights under the International Convention associated with the filing of said application, for each country of the Union; and in and to any and all Letters Patents on said invention that may be granted by

the United States or any foreign countries, including each and every Letters Patent granted on any application which is a division, substitution, or continuation of any application relating to said invention, and in and to each and every reissue or extension of said Letters Patent.

2. ASSIGNOR hereby warrants, covenants and represents the fact to be that he/she has not heretofore granted any license, right or privilege in respect to the said application or said invention or improvements, or in any other way encumbered the same, and that he/she has the full right to convey, free of all licenses and encumbrances, the entire interest hereby assigned.

IN TESTIMONY WHEREOF, I, JOSHUA KING HOYT HAVE EXECUTED AND DELIVERED THIS INSTRUMENT THIS 2nd DAY OF March, 2017.
