ASSIGNMENT

This assignment is by **Allison Savage, Morten Moeller, Phu Nguyen, Guoning Hu and Nemanja Spasojevic** ("Assignors") residing in Austin, Texas, U.S., Austin, Texas, U.S., Austin, Texas, U.S., Fremont, California, U.S. and San Francisco, California, U.S., respectively. Assignors have invented one or more inventions (the "Invention(s)") disclosed in the United States Patent Application entitled "**SYSTEM AND METHOD OF PROVIDING A PLATFORM FOR MANAGING DATA CONTENT CAMPAIGN ON SOCIAL NETWORKS**", filed on April 28, 2017 and identified as Application Number 15/581,795 (the "Application").

Lithium Technologies, Inc. ("Assignee"), a Delaware corporation, having a place of business at 225 Bush Street, 15th Floor, San Francisco, California 94104, desires to acquire the entire right, title and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States and in any foreign countries.

For and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any patent application claiming priority rights from the Application including, without limitation, any divisions, continuations, and continuations-in-part of the Application; any reissues, reexaminations, or extensions of any and all Patents; all foreign rights in and to the Invention(s) including, without limitation, the right to file patent applications in foreign countries directly in the name of Assignee for the Invention(s); and the right to claim priority rights deriving from the Application (collectively, the "Rights").

Assignors warrant that they have not signed any writing or done any act conflicting with this assignment, and Assignors agree to not sign any writing or do any act conflicting with this assignment. Assignors further agree, without further compensation, to sign all documents and do such additional acts as Assignee deems necessary or desirable to: perfect Assignee's enjoyment of the Rights; prepare and prosecute the Application or any other patent applications for the Invention(s); conduct proceedings regarding the Rights, including any litigation or interference proceedings; and perfect or defend title to the Rights.

Assignors request the Commissioner of Patents of the United States and all other appropriate government officials for applicable foreign countries to issue any and all Patents that may be issued for the Invention(s) to Assignee. Assignors hereby acknowledge that in the event of a conflict of interest between Assignors and Assignee, Neal Marcus is the attorney for Assignee and is not the Assignors' attorney.

In the event that the filing date and/or Application Number of the Application are not entered above at the time Assignors execute this assignment, Assignors hereby authorize Neal Marcus to insert above the filing date and/or the Application Number of the Application. This assignment may be executed in counterparts.
