# Patent Application Assignment Agreement

David James Pawlowski ("Assignor") is owner of  
Wireless adapter and method for communication with digital camera, as described in the  
U.S. Patent Application US14217463, filed March 17, 2014, (the "Patent  
Application"), CamRanger, LLC, ("Assignee") desires to acquire  
all rights in and to the Patent Application and the patent (and any reissues or extensions) that  
may be

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to  
Assignee 100 % of his right, title, and interest in the invention and Patent Application (as well as  
such rights in any divisions, continuations in whole or part or substitute applications) to Assignee  
for the entire term of the issued Patent and any reissues or extensions that may be granted and for  
the entire terms of any and all foreign patents that may issue from foreign applications (as well  
as divisions, continuations in whole or part or substitute applications) filed claiming the benefit  
of the Patent Application.

Assignor authorizes the United States Patent and Trademark Office to issue any Patents resulting  
from the Patent Application to Assignee according to the percentage interest indicated in this  
assignment. The right, title and interest is to be held and enjoyed by Assignee and Assignee's  
successors and assigns as fully and exclusively as it would have been held and enjoyed by  
Assignor had this assignment not been made.

In witness whereof, the parties have caused this Agreement to be executed the day and year first  
above written.
