Declaration

This Declaration is directed to the patent application identified above and which is attached hereto.

As a named inventor, I declare that:

- The above-identified patent application was made or authorized to be made by me.
- I believe that I am the original inventor or an original joint inventor of a claimed invention in the above-identified patent application.
- I have reviewed and understand the contents of the above-identified patent application, including the claims.
- I hereby acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR §1.56, including for continuation-in-part patent applications, material information which became available between the filing date of the prior patent application and the national or International filing date of the continuation-in-part patent application.
- I hereby acknowledge that any willful false statement made in this Declaration is punishable under 18 USC §1001 by fine or imprisonment of not more than five (5) years, or both.

Assignment

WHEREAS, the named inventor (hereinafter referred to as the "ASSIGNOR") has made certain inventions, improvements, developments and/or discoveries (hereinafter referred to as the "Invention") disclosed in the above-identified patent application;

Germany

WHEREAS, Westinghouse Electric Company GmbH, a corporation of Germany, having a place of business at Dudenstraße 6, 68167 Mannheim, Germany (hereinafter referred to as the "ASSIGNEE") desires to acquire, and the ASSIGNOR desires to grant to ASSIGNEE, the entire worldwide right, title and interest in and to the Invention and in and to any and all patent applications and patents directed thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the ASSIGNEE, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in
