the entire right, title and interest for the United States and its territorial possessions, and in all foreign countries, including all rights to claim priority, in and to any and all inventions which are disclosed in a U.S. patent application number 14/962672, filed on December 8, 2015 and entitled “

FLOATING ILLUMINATION DEVICE FOR A SWIMMING POOL OR OTHER BODY OF WATER AND METHOD THEREFOR” and listing the above ASSIGNOR as the inventor; and in and to all Letters Patent to be obtained for said invention(s) (“Invention”), including all derivatives from the above application or patent, including any conversion, continuation, division, renewal, substitute, reissue or re-examination thereof.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof, and will generally do everything possible to aid said ASSIGNEE, their successors, assigns of this Invention, and nominees, at their request and expense, which may be necessary or desirable to carry out the purposes thereof. It is understood that the foregoing assignment, covenants and agreements shall be to the benefit of the ASSIGNEE, its successors and assigns of this Invention. ASSIGNOR hereby authorizes the Director of the U.S. Patent & Trademark Office to issue all patents granted for such Invention to the above named ASSIGNEE, its successors and the assigns of this Invention.
