NOTICE OF PATENT ASSIGNMENT OF PART INTEREST

KNOW ALL MEN BY THESE PRESENTS, that **Daifuku Co., Ltd.** (hereinafter referred to as "**Assignee**"), having a principal place of business at 3-2-11 Mitejima, Nishi-Yodogawaku, 555-0012, Osaka, Japan, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, received from **Wynright Corporation**, (hereinafter referred to as "**Assignor**"), a corporation organized under the laws of the State of Illinois and having a principal place of business at 2500 York Road, Elk Grove, Illinois 60007, pursuant to that certain Patent Cooperation Agreement dated April 13, 2016, and thereby immediately effective by and between **Assignor** and **Assignee** (hereinafter the "**Assignment**") an undivided fifty percent (50%) share of the right, title and interest in and to the following inventions, patent applications and United States patents (hereinafter referred to as the "**Patent Properties**") identified in **Schedule A** attached hereto, by virtue of assignment duly recorded in the United States Patent and Trademark Office assignment records;

WHEREFORE, it is the purpose of this instrument to memorialize the Assignment of the **Patent Properties** in a form suitable for recording in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Assignor** has assigned, conveyed, sold, quit-claimed, released, set over and transferred, and by these presents does hereby assign, convey, sell, quit-claim, release, set over, and transfer unto **Assignee**, an undivided fifty percent (50%) share of the right, title and interest whatsoever **Assignor** now has or may have in and to the **Patent Properties**, including:

(a) All United States and foreign letters patent which shall issue on the inventions and applications including all divisions, continuations, substitutions, re-examinations, reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for letters patent or the legal equivalent thereof on the inventions in any and all foreign countries, as fully and entirely as the same would have been held and enjoyed by **Assignor**, had this assignment and sale not been made;

(b) The right to claim invention priority under any and all treaties and conventions to which the United States of America is signatory including the Paris Convention for the Protection of Industrial Property and the Patent Cooperation Treaty (PCT) of the World Intellectual Property Organization (WIPO) for such corresponding applications, or any division, continuation, substitution or renewal thereof, and as to letters patent, any reissue, re-examination, renewal or extension thereof, the same to be held and enjoyed by the **Assignee**, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by **Assignor**, had this assignment not been made; and

(c) The right to sue and recover for past, present and future infringement of each and every one of the Patent Properties identified in **Schedule A** and the right to sue and collect damages for such infringement, the same to be held and enjoyed by the **Assignee**, its assigns and successors, to the full extent and end of the term or terms for which each and every one of the Patent Properties

is granted or may be granted, as fully and entirely as the same would have been held and enjoyed by **Assignor**, had this assignment not been made.

We hereby authorize and request the Patent Office of the United States and any and all foreign countries to issue any and all of said patents, when granted to **Assignor** and **Assignee** as each owners of an undivided fifty percent (50%) share of the right, title and interest in and to the same, for the sole use and enjoyment of **Assignor** and **Assignee**, its successors, and assigns.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

IN WITNESS WHEREOF, the **Assignor** has caused this assignment to be executed by its duly authorized officer.

EXECUTED at Cook County, State of Illinois, on the 9th day of May 2017.

WYNRIGHT CORPORATION

Kenneth T. Dickerson

Title: Chief Operating Officer

State of ILLINOIS §
§
County of COOK §

BEFORE ME, the undersigned authority, a Notary Public authorized to administer oaths, came and appeared Kenneth T. Dickerson, personally known to me or proved to me on the basis of satisfactory evidence to be the person who executed the attached Assignment on behalf of the business entity therein named, who after first being duly sworn, deposed, declared and acknowledged to me that he executed the same for the purposes and consideration therein expressed, and that he was duly authorized to execute said Assignment instrument.

Subscribed and sworn to before me, Notary Public in and for the State of ILLINOIS, on this 9th day of May 2017.
