ASSIGNMENT

Pursuant to my obligation to THE TEXAS A&M UNIVERSITY SYSTEM (herein referred to as "Assignee"), having its principal place of business at:

3369 TAMU
College Station, TX 77843-3369

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
I:

Luc Berghman
1207 Martinsville Lane
College Station, TX 77845

confirm my obligation to and effective as of February 14, 2013, hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest –

(1) in and to an invention entitled "COMPOSITIONS AND METHODS OF ENHANCING IMMUNE RESPONSES TO EIMERIA OR LIMITING EIMERIA INFECTION" for which International Patent Application No. PCT/US2014/016359 was filed February 14, 2014 (Atty. File No. 5658-00201) (hereinafter the "PCT patent application"), which application claims the benefit of Provisional Patent Application No. 61/764,681 filed February 14, 2013 (hereinafter the "provisional application");

(2) in and to said PCT patent application and provisional application, in and to all other patent applications derived from or relating to said PCT patent application or provisional application (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), §371 national stage, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues or reexaminations thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) in and to all applications filed under International Conventions on the invention or claiming priority to the PCT patent application or provisional application.

I agree that any patent applications with a claim to priority based on said PCT patent application or provisional application may be filed in the name of Assignee.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed to be necessary, by Assignee, its successors or assigns, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
