Vander Loop, residing at 6129 Garrett Ln., Apt. 1, Rockford, IL 61107, (hereinafter "Assignors") have invented a certain new and useful invention and improvement (hereinafter "Invention") described in the United States patent application entitled CUTTING TOOL, which application has been duly executed by Assignors (and we hereby authorize our attorneys to insert the serial number and filing date herein): Application Serial No: 15/617,298, Filing Date: June 8, 2017;

WHEREAS, Greenlee Textron Inc., a corporation organized and existing under the laws of the State of Delaware, USA, having a place of business at 4455 Boeing Drive, Rockford, Illinois 61109, USA (hereinafter called "the Assignee"), is desirous of acquiring the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any United States or foreign LETTERS PATENT that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignors have assigned, sold and transferred, and do assign, sell and transfer to the Assignee, its successors and assign, the entire right, title and interest in and to the Invention within the United States of America and its territorial possessions and all foreign countries, and in and to any LETTERS PATENT of the United States and foreign countries, including utility models, inventor's certificates and like government grants that may be granted for any and all portions thereof, and in and to the patent application identified above and applications for patent filed for the Invention in all foreign countries and all provisional, non-provisional, divisional, reissue, continuation, continuation-in-part applications, PCT and extensions of any of the applications for patent or LETTERS PATENT identified herein, including all applications claiming the priority of said applications for patent or LETTERS PATENT identified herein, and the right to apply for LETTERS PATENT in foreign countries with full benefit of such priorities as may now or hereafter be granted to Assignors by local laws or by treaty, including any international convention, for the protection of industrial property, together with the right to extend the protection of the United States LETTERS PATENT to the various territorial possessions now owned or which may be hereafter acquired by the United States of America.
