ASSIGNMENT

WHEREAS, I, Rudolf Heymann ("Assignor"), a citizen of Germany, has invented new, original, and ornamental designs for

COFFERDAMS

as described or intended to be described and set forth in United States Design Patent Application Serial No. 35/500,508, filed 7/20/2015, preparatory to obtaining Design Letters Patent of the United States therefor, and in the issued U.S. Design Patent No. D782066 (Serial No. 35/500,507); and

WHEREAS, Mühlbauer Technology GmbH ("Assignee"), a limited liability company organized under the laws of Germany, having a place of business at Elbgaustrasse 248, Hamburg, D-22547, Germany, is desirous of acquiring the entire right, title, and interest in and to said inventions, said applications, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor hereby sells, assigns, transfers and sets over, unto the Assignee, its successors and assigns, the Assignor's right, title and interest in and to said inventions, design applications, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all the Assignor's foreign rights to said invention, and all my rights under the International Convention in respect to said inventions, applications, and patents. And the Assignor hereby agreed to communicate to the Assignee or its representatives any facts known to me respecting said invention and improvements, to testify in any legal proceeding relating thereto, to sign all lawful papers, to execute all divisional, continuing and reissue applications, to make all rightful oaths and in addition to execute any and all documents that may be required in order that the Assignee may make application for Letters Patent on said inventions in foreign countries in its own name. And the Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said inventions or applications unto the Assignee, its successors and assigns, in accordance with this assignment.
