Assignment of Invention

WHEREAS, I, Emma K. Fauss, Houston, Texas, United States of America; and I, **Alexander Csicsery-Ronay**, Taos, New Mexico, United States of America; and I, **Vincent Gagne**, Houston, Texas, United States of America, have invented certain new and useful improvements in **“USER INTERFACE FOR DISPLAYING PATIENT HISTORICAL DATA”**, which:

was filed on June 13, 2016, now bearing U.S. Serial Number 62/349,571;

WHEREAS, MEDICAL INFORMATICS CORPORATION, organized under the laws of Texas, having a principal office and place of business at 2450 Holcombe Blvd., Houston, Texas, 77021, United States of America (hereinafter ASSIGNEE), desires to acquire from Emma K. Fauss, Alexander Csicsery-Ronay, and Vincent Gagne the entire right, title and interest they have in and to said invention and to any Letters Patent that may be granted thereof from said applications in the United States and its territorial possessions, and any and all countries foreign to the United States of America;

NOW, THEREFORE, for valuable consideration, the receipt whereof is hereby acknowledged, I, by these presents so sell, assign and transfer unto said ASSIGNEE, all of my rights to the said invention in the United States and its territorial possessions and all countries foreign to the United States of America, and my entire right, title and interest in and to any and all Letters Patent which may be granted therefore in the United States and its territorial possessions and in and to any and all divisions, reissues, continuations, substitutions and renewals thereof, and to any and all Letters Patent which may be granted therefore in all countries foreign to the United States.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and Patent Office Officials in all countries foreign to the United States to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the use and behalf of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said ASSIGNEE or its representatives any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally do everything possible to aid said ASSIGNEE, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions, and in all countries foreign to the United States.

The undersigned hereby grants authorized representatives of the above identified ASSIGNEE the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
