**ASSIGNMENT**

WHEREAS, Securitas Direct AB (hereinafter Assignor), a corporation organized and existing under and by virtue of the laws of Sweden, having an office at Ångbåtsbron 1, 211 20 Malmö, Sweden (old address: Box 2511, 580 02 Linköping, Sweden), is the owner of the entire right, title and interest in and to the following listed Patents in the United States by previous assignments;

U.S. Design Patent No. 559 719, issued January 15, 2008;

U.S. Design Patent No. 559 718, issued January 15, 2008; and

U.S. Design Patent No. 538 033, issued March 13, 2007;

WHEREAS, Verisure Sàrl (hereinafter Assignee), a corporation organized and existing under and by virtue of the laws of Switzerland, having an office at Chemin Jean-Baptiste Vandelle 3/3 A, 1290 Versoix, Switzerland, is desirous of acquiring the entire right, title and interest in and to the invention(s) described and claimed in said Patents ;

NOW, THEREFORE, for good and valuable consideration, the receipt of and sufficiency of which are hereby acknowledged, said Assignor has sold, assigned and transferred and does hereby sell, assign and transfer unto said Assignee, its successors and assigns, its entire undivided right, title and interest in and to the said Patents and the invention(s) therein contained, including the right to sue for past infringement, and including the right to apply for any Letters Patent in the United States of America and in all foreign countries on said invention and including the right to claim the priority of the date of filing in the United States and any Letters Patent that may issue thereon, or therefor, in the United States and foreign countries and any further applications, including but not limited to continuations, divisionals, reissues and reexaminations, to be held and enjoyed by said

Assignee, its successors and assigns, the same as it would have been held and enjoyed by said Assignor if this assignment and sale had not been made.

Said Assignor hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interest granted herein and that said Assignor will not execute any instrument or grant or transfer any rights or interests inconsistent therewith, and said Assignor binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may be, to execute and deliver to said Assignee, its successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by said Assignee, its successors and assigns, to file applications for improvements and inventions in any country where it may elect to file such applications, and that may be necessary to vest in said Assignee, its successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

AND, said Assignor further covenants and agrees, in consideration of the premises, that it, its executors and administrators, will, at any time upon request, communicate to said Assignee, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by said Assignee, its successors and assigns.

The undersigned hereby grants the law firm of Birch, Stewart, Kolasch & Birch, LLP the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, said Assignor has hereunto set its seal this 8 day  
of June, 2017.
