## ASSIGNMENT OF PATENTS

WHEREAS, Convexity Media, Inc., a Delaware corporation, having a principal place of business at 242 Washington Ave., #1, Brooklyn, New York 11205, (hereinafter referred to as "ASSIGNOR") is the owner of United States patent No. 8,121,471, issued February 21, 2012 and entitled "Focusing System for Motion Picture Camera", and of United States patent No. 9,307,138, issued April 5, 2016 and also entitled "Focusing System for Motion Picture Camera" (hereinafter collectively referred to as the "Patents"); and

WHEREAS, Enver Leif Gjokaj, an individual, and Daniel Raymond Long, an individual, (hereinafter referred to as "ASSIGNEES") desire to jointly acquire all of ASSIGNOR'S right, title and interest in and to the Patents; and

WHEREAS, ASSIGNOR has the right, power and authority to effectuate the transfer to ASSIGNEES of the entire right, title and interest in and to the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, ASSIGNOR hereby assigns to ASSIGNEES all of ASSIGNOR'S right, title and interest in and to the Patents and in and to any and all divisionals, reissues, substitutions, continuations and continuations-in-part thereof and in and to any letters patent that may be granted thereon, any and all such subsequent letters patent being included within the scope of the term "Patents", together with the right to extend the protection of any or all of the Patents to all foreign countries, and the right to sue for damages for all infringements thereof, all said rights to be held and enjoyed by ASSIGNEES, for their own use and enjoyment and for the use and enjoyment of their respective successors and assigns, to the end of the full terms of the Patents as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment, transfer and sale had not been made.

ASSIGNOR hereby represents, warrants and covenants that (i) it has the full right to convey the entire interest herein assigned; (ii) it has not executed and will not execute any agreement in conflict herewith; and (iii) it has not previously encumbered, hypothecated, mortgaged, pledged, or granted any security, license or other interest in any of the Patents to any other party.

ASSIGNOR hereby agrees to execute and have executed all further documents, and to do all things required to carry out the terms of this assignment for and at the request of either of the ASSIGNEES and without charge or cost to such ASSIGNEE.

This Assignment of Patents is binding on all parties who lawfully succeed to the rights of or take the place of ASSIGNOR or either of the ASSIGNEES.

Convexity Media, Inc.
