have invented certain improvements in a **SENSOR FOR ABSORBENT ARTICLE** as set forth in the application for U.S. Letters Patent

Serial No. 62/351,372 filed June 17, 2016.

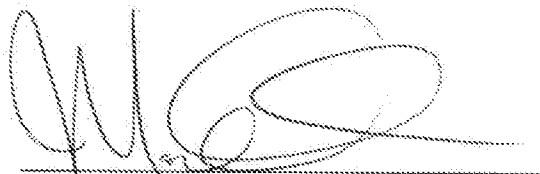

executed concurrently with the specification.

WHEREAS, **Medline Industries, Inc.**, a corporation of Illinois, having a place of business at One Medline Place, Mundelein, IL 60060, is desirous of acquiring an interest therein.

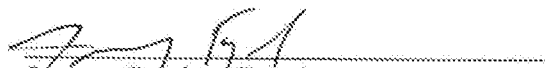

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration the receipt of which is hereby acknowledged, we, **Michelle Christiansen, Jeremy Stephen Fogel and William Bowser**, by these presents do hereby sell, assign and transfer unto **Medline Industries, Inc.**, the entire right, title and interest in and to said invention, as described in the patent application identified above, preparatory to obtaining Letters Patent of the United States therefor, as well as to any patent application thereon that may be filed in any country foreign to the United States, and to any divisional, continuation or continuation-in-part applications thereon that may be filed in the United States or any other country; said invention, application and Letters Patent to be held and enjoyed by the said **Medline Industries, Inc.** for its own use and behoof, and for its legal representatives or assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

Robert D. Spendlove, attorney of record is hereby granted the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
