PATENT ASSIGNMENT AGREEMENT

For valuable consideration, and made as of May 12, 2017, Remedy Pharmaceuticals, Inc., a corporation of Delaware having a place of business at 233 Broadway, Suite 1750, New York, New York 10279 (“the Assignor”), hereby assigns to Biogen Chesapeake LLC, a limited liability company of Delaware having a place of business at:

225 Binney Street
Cambridge, Massachusetts 02142,

and its successors and assigns (collectively hereinafter called “the Assignee”) and the Assignee hereby assumes and accepts, our entire right, title and interest throughout the world in the inventions and improvements which are the subject of the patent(s) and patent application(s) listed on **Schedule A** attached hereto, this assignment including said patent(s) and patent application(s), any and all United States and foreign utility patents and patent applications, including continuation, continuation-in-part, divisional, reissue, and reexamination applications, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said patent(s) and/or patent application(s) under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors’ certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement.
