**CONFIDENTIAL INFORMATION AND
INVENTION ASSIGNMENT AGREEMENT**

FOR EMPLOYEES

As a condition of my becoming employed (or my employment being continued) by or retained as a consultant (or my consulting relationship being continued) by Facebook, Inc., a Delaware corporation or any of its current or future subsidiaries, affiliates, successors or assigns (collectively, the "Company" or "Facebook"), and in consideration of my employment or consulting relationship with the Company and my receipt of the compensation now and hereafter paid to me by the Company, I agree to the following:

5. Inventions.

(b) Assignment of Inventions. I agree that I will promptly make full written disclosure to Facebook, will hold in trust for the sole right and benefit of Facebook, and hereby assign to Facebook, or its designee, all my right, title and interest throughout the world in and to any and all inventions, original works

of authorship, developments, concepts, know-how, designs, improvements or trade secrets, whether or not patentable or registrable under copyright or similar laws, which I may solely or jointly conceive or develop or reduce to practice, or cause to be conceived or developed or reduced to practice, during the period of my Relationship with the Company (collectively referred to as "inventions"), except as provided in Section 5(e) below. I further acknowledge that all Inventions which are made by me (solely or jointly with others) within the scope of and during the period of my Relationship with the Company are "works made for hire" (to the greatest extent permitted by applicable law) and are compensated by my salary (if I am an employee) or by such amounts paid to me under any applicable consulting agreement or consulting arrangements (if I am a consultant), unless regulated otherwise by the mandatory law of the state of California. To the maximum extent permitted by applicable law, I hereby waive and agree not to enforce any moral rights I may have on or to any such Inventions.

[REDACTED]

If Facebook or its designee is unable because of my mental or physical incapacity or unavailability or for any other reason to secure my signature to apply for or to pursue any application for any United States or foreign patents, copyright, mask works or other registrations covering inventions or original works of authorship assigned to Facebook or its designee as above, then I hereby irrevocably designate and appoint Facebook and its duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters patent, copyright or other registrations thereon with the same legal force and effect as if originally executed by me.
