ASSIGNMENT

WHEREAS I/We, the below named inventors (hereinafter referred to as Assignors) have made an invention entitled:

HOOK FASTENER

for which an International patent application under the Patent Cooperation Treaty (PCT) was filed on November 10, 2011 as Application No. PCT/IB2011/002822 (having been provisionally designated as Application No. PCT/FR2011/000600); and

WHEREAS, I/We made said invention(s) set forth in said patent application while employed by, or otherwise under an obligation at the time the invention was made to assign said invention to APLIX, or its affiliates respectively, and

WHEREAS, APLIX, a corporation of France whose post office address is Z.A. Les Relandières, 44850 LE CELLIER, France (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to said patent application on this invention and any Letters Patent to be issued therefrom;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I/We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention, and this application, and all applications for Letters Patent which may hereafter be filed for this invention in any country and all Letters Patent which may be granted on this invention in any country, and all extensions, renewals, and reissues thereof, and all divisions, and continuations thereof, and all rights to claim priority on the basis of this application as of its filing date; and I/We hereby authorize and request any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
