ASSIGNMENT

WHEREAS, I, Evan K. Fram, a United States of America citizen, residing at 4814 East Marston Drive, Paradise Valley, Arizona 85253, have invented certain new and useful subject matter in SYSTEMS AND METHODS FOR RETRIEVAL OF MEDICAL DATA, for which an application for Letters Patent has been filed in the United States on November 3, 2005 and on which I am listed as a joint inventor, and I hereby authorize and request the attorneys of Knobbe, Martens, Olson & Bear, LLP, Customer No. 20,995, to insert here in parentheses (Application No. 11/265,979) the application number of said application when known.

AND WHEREAS, DR Systems, Inc. (hereinafter "ASSIGNEE"), a California Corporation, with its principal place of business at 10140 Mesa Rim Road, San Diego, California 92121, desires to acquire the entire right, title, and interest in and to the said new and useful subject matter and the said Application.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, a joint inventor, do hereby acknowledge that I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said new and useful subject matter, and the said application and all provisional applications relating thereto, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said new and useful subject matter in any country or countries foreign to the United States, and all Letters Patent which may be granted for said new and useful subject matter in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said new and useful subject matter to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument. This Assignment does not grant any rights to ASSIGNEE in improvements that are not described in the said Application.

AND I DO HEREBY sell, assign, transfer, and convey to ASSIGNEE, its successors, legal representatives, and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to ASSIGNEE, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of the said Letters Patent before or after issuance.

AND I HEREBY covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said new and useful subject matter, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said new and useful subject matter in all countries, with the understanding that ASSIGNEE will provide compensation for my time in performing the above-listed acts commensurate with my standard consulting rate at the time the acts are performed.
