ASSIGNMENT

THIS ASSIGNMENT, made by us, James Wesley Harris, a citizen of the United States of America, residing in Charlotte, North Carolina and Stephen Dail Swift, a citizen of the United States of America residing in Sparta, Kentucky;

WITNESSETH: That,

WHEREAS, We are the joint inventors of certain new and useful improvements in

VEHICLE SAFETY CATCH FENCE

(hereinafter referred to as the "Invention") for which: U.S. Utility Patent Application No. 14/251,172 was filed on April 11, 2014, with the United States Patent and Trademark Office (information to be filled in after filing), which claims priority to U.S. Provisional Patent Application No. 61/865,032 filed on August 12, 2013 and U.S. Provisional Patent Application No. 61/813,521 filed on April 18, 2013, (hereinafter referred to as the "Applications"); and

WHEREAS, Speedway Motorsports, Inc., having a principal place of business at 5401 East Independence Boulevard, Charlotte, North Carolina 28212 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said Invention and said Applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, (including but not limited to the benefits and obligations associated with our employment), the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said Invention and said Applications, and in and to any and all non-provisionals, continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues, reexaminations, reviews, or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said Applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by

us if this Assignment and sale had not been made.

We hereby authorize the Assignee or its designee to insert the Application number and filing date into the preamble of this Assignment following our execution of the Assignment.

We hereby request that said Letters Patent be issued in accordance with this Assignment.

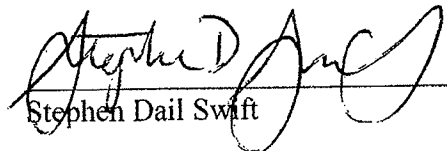

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the Invention and Applications above-mentioned, and that we have the unencumbered right and authority to make this Assignment.

We further covenant, and agree to bind our heirs, legal representatives, and assigns, promptly to communicate to said Assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said Invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said Invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this 34 day of
March, 2014.

James Wesley Harris (SEAL)
