PATENT APPLICATION ASSIGNMENT

In return for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the undersigned:

Marcus C. COLBERT

hereby sell, assign, and transfer to:

Mad Street Den, Inc.

a corporation of Delaware having a principal place of business at 38350 Fremont Boulevard, Suite 203, Fremont, California 94356 ("Assignee"), and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all inventions and improvements that are disclosed in the application for the United States patent filed on 27 June 2017 and assigned Application No.

15/634,171

, which is entitled:

Synthesizing Images of Clothing on Models

and in and to said application and all provisional, design, utility, divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all other patent applications that have been or may be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents that have been or may be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority from the filing of said United States applications.

We agree that said Assignee may apply for and receive a patent or patents for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all provisional, design, utility, divisional, continuing, continuation-in-part, substitute, renewal, reissue, and all

other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, power of attorney, and other papers; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally assist said Assignee, its successors, assigns, or legal representatives in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives.

We covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

We authorize our attorneys to insert the filing date and application number of our patent application into this Assignment before recording it, if that information was not present when we executed this document.
