## ASSIGNMENT

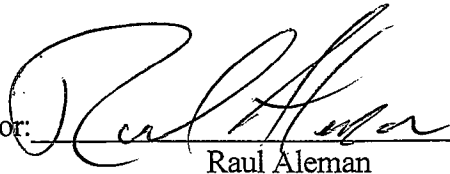

Whereas, Raul Aleman, a citizen of Wisconsin, residing at 1615 Blake Avenue, South Milwaukee, Wisconsin 53172 has invented an invention entitled: "Gutter Expansion Joint" for which he has made application for Letters Patent of the United States of America; and

Whereas, Metal-Era, Inc., a corporation of the State of Wisconsin, residing at 1600 Airport Road, Waukesha, WI 53188, desires to acquire the entire right, title and interest in and to said invention, in that Metal-Era, Inc. has provided the time, equipment and resources in order for said invention to be developed:

Now, therefore, for good and valuable consideration being the payment of patent application costs, payment of patent application fees, payment of one dollar, and the receipt of which is hereby acknowledged, Raul Aleman by these presents does sell, assign and transfer unto said Metal-Era, Inc., its successors and assigns, all right, title and interest, in the United States of America and all foreign countries, in and to said invention as described in a patent application and executed by him, and to any improvements on said invention heretofore or hereafter made by him during the pendency of the aforesaid patent application, and any divisions or continuations, which may be filed in the United States of America or foreign, which may be granted on said invention and said improvements to said invention; Raul Aleman hereby authorizes the Commissioner of Patents and Trademarks to issue all Patents on said United States of America applications arising out of said invention and improvements to said invention to said Metal-Era, Inc. as assignee thereof; and

For said consideration, I, Raul Aleman, hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said Metal-Era, Inc. or its representatives any facts known to me respecting said invention and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which, in the judgment of Metal-Era, Inc., is necessary to vest and protect the legal title sought to be assigned to him.

Inventor:

  
Raul Aleman

Date: 6-14-17

## ASSIGNMENT

Whereas, Margaret J. Hansen, a citizen of Wisconsin, residing at 130 Garfield Avenue Lower, Waukesha, Wisconsin 53186 has invented an invention entitled: "Gutter Expansion Joint" for which she has made application for Letters Patent of the United States of America; and

Whereas, Metal-Era, Inc., a corporation of the State of Wisconsin, residing at 1600 Airport Road, Waukesha, WI 53188, desires to acquire the entire right, title and interest in and to said invention, in that Metal-Era, Inc. has provided the time, equipment and resources in order for said invention to be developed:

Now, therefore, for good and valuable consideration being the payment of patent application costs, payment of patent application fees, payment of one dollar, and the receipt of which is hereby acknowledged, Margaret J. Hansen by these presents does sell, assign and transfer unto said Metal-Era, Inc., its successors and assigns, all right, title and interest, in the United States of America and all foreign countries, in and to said invention as described in a patent application and executed by her and to any improvements on said invention heretofore or hereafter made by her during the pendency of the aforesaid patent application, and any divisions or continuations, which may be filed in the United States of America or foreign, which may be granted on said invention and said improvements to said invention; Margaret J. Hansen hereby authorizes the Commissioner of Patents and Trademarks to issue all Patents on said United States of America applications arising out of said invention and improvements to said invention to said Metal-Era, Inc. as assignee thereof; and

For said consideration, I, Margaret J. Hansen, hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said Metal-Era, Inc. or its representatives any facts known to me respecting said invention and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which, in the judgment of Metal-Era, Inc., is necessary to vest and protect the legal title sought to be assigned to him.

Inventor: Margaret J. Hansen  
Margaret J. Hansen
