Now, therefore, for good and valuable consideration, the receipt and sufficiency whereof are
hereby acknowledged, we hereby sell, assign, and set over unto the Assignee and the
Assignee’s successors, assigns, and designees, the entire right, title, and interest in and to
said invention, said application, and the Letters Patent, both foreign and domestic, that may
or shall issue thereon; and we do hereby authorize and request the Commissioner of Patents

Assignee that we will not execute any writing or do any act whatsoever conflicting with our
obligations set forth in this instrument, and that we will at any time upon request, at the
expense of the Assignee, execute such additional assignments and other writings and do
such additional acts as the Assignee may deem necessary or desirable to perfect the
Assignee’s enjoyment of this grant, and render all necessary assistance in making
application for and obtaining original, divisional, renewal, continuation, continuation-in-
part, reissued or extended Letters Patent of the United States or of any and all foreign
