PATENT ASSIGNMENT

WHEREAS, I, Brian T. Port, an individual and citizen of the United States, and residing at 2711 International Street, Columbus, Ohio 43228, the undersigned, (hereinafter ASSIGNOR) have invented certain new and useful improvements relating to a SCROLL BORDER EDGE, as disclosed and claimed in U.S. Design Patent Application Serial No. 29/608,949 (I hereby authorize my attorneys to insert the serial number as soon as it is known);

WHEREAS, Panacea Products Corporation, an Ohio corporation having a business address at 2711 International Street, Columbus, Ohio 43228, (hereafter ASSIGNEE), desires to acquire a one hundred (100%) percent interest in and to said invention and the patent application;

NOW, THEREFORE, for and in consideration of the sum of Two Dollar (\$2.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, the undersigned by these presents does sell, assign and transfer unto ASSIGNEE, its successors, assigns and personal representatives, all of his right, title and interest in the United States of America and all foreign countries in and to his interest in said inventions as described in the aforementioned patent application and to any improvements on said inventions heretofore or hereinafter made, and to the patent application as well as any divisional or continuing application emanating therefrom, and any foreign counterparts of said application(s), and all patents, United States and

foreign, granted upon any such application(s) or for the inventions described therein, and any reissues or extensions of said patents; I hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said application(s) reflecting the ownership interest as the one hundred (100%) percent in ASSIGNEE.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said Letters Patents and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof;

For said consideration I hereby covenant and agree that I am the owner of the full undivided interest herein assigned and have the right to assign the same, and agree that I will communicate to ASSIGNEE or its representatives, any facts known to me regarding said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such
