ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Kinneir Dufort**, a United Kingdom company, having a place of business at 5 Host Street, Bristol, BS1 5BU UK (hereafter, together with any successors, legal representatives or assigns thereof, sometimes referred to as "ASSIGNOR") hereby sells and assigns to **CooperVision International Holding Company, LP**, a UK Limited Partnership, having a registered address at Suite #2, Edghill House, Wildey Business Park, St. Michael, Barbados (hereafter referred to as the Assignee), its entire right, title and interest, including the right to sue for past infringement and to collect for all past, present and future damages, for the United States of America (as defined in 35 U.S.C. § 100) and throughout the world,

(a) in the invention(s) described in the application(s) identified in the enclosed Appendix A, in any and all applications thereon (including provisional patent applications, non-provisional patent applications, and design applications), in any and all Letters Patent(s) therefor, and

(b) in any and all application(s) that claim the benefit of the application(s) identified in Appendix A, including non-provisional applications, continuing (continuation, divisional, or continuation-in-part) applications, reissue applications, design applications, extensions, renewals, and reexaminations of the application(s) identified in Appendix A or Letters Patent therefor, to the full extent of the term or terms for which Letters Patents issue, and

(c) in any and all invention(s) described in the application(s) identified in Appendix A, and in any and all forms of intellectual and industrial property protection derivable from such application(s), and that are derivable from any and all continuing applications, reissue applications, design applications, extensions, renewals, and reexaminations of such patent application(s), including without limitation, patents, applications, utility models, inventor's certificates, and designs together with the right to file applications therefor; and including the right to claim the same priority rights from any previously filed applications under the International Agreement for the Protection of Industrial Property, or any other international agreement, or the domestic laws of the country in which such application is filed, as may be applicable;

all such rights, title and interest to be held and enjoyed by the above-named Assignee, its successors, legal representatives and assigns to the same extent as all such rights, title and interest would have been held and enjoyed by the Assignor had this assignment and sale not been made.

The undersigned Assignor agrees to execute all papers necessary in connection with the application(s) and any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, design, reexamination or corresponding application(s) thereof and also to execute separate assignments in connection with such application(s) as the Assignee may deem necessary or expedient.

The undersigned Assignor agrees to execute all papers necessary in connection with any interference or patent enforcement action (judicial or otherwise) related to the application(s) or any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, design or reexamination application(s) thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or patent enforcement action.

The undersigned Assignor hereby represents that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict therewith.

IN WITNESS WHEREOF, I hereunto set my hand this 20th day of February, 2017.
