INTRODUCTION

- A. The First, Second, Third, Fourth, Fifth and Sixth Assignors have devised or contributed to the Invention.
- B. The First, Second and Third Assignors agree that the First Assignee is or should be the legal and beneficial owner of all rights in their contribution to the Invention and the Intellectual Property Rights.
- C. The Fourth, Fifth and Sixth Assignors agree that the Second Assignee is or should be the legal and beneficial owner of all rights in their contribution to the Invention and the Intellectual Property Rights.
- D. The Second Assignee agrees to assign to the First Assignee and the First Assignee agrees to then assign to the Third Assignee all their rights in the Invention and the Intellectual Property Rights.

COVENANTS

1. DEFINITIONS

- 1.1 In this deed, including the Introduction, the following words will have the following meanings:

Copyright means:

- (a) all copyrights and all rights in the nature of copyright, in any original artistic, literary and other works; and
- (b) any database rights,

comprising or relating to the Invention as may exist anywhere in the world;

Design Rights means all rights in and to the designs to be applied to articles of or relating to the Invention as may exist anywhere in the world including, but not limited to:

- (a) the right to apply for and obtain protection for such designs in relation to such articles and the rights conferred by such protection when granted;
- (b) the right to claim priority under any international convention or agreement including the Paris Convention (as amended) from any such application or applications referred to in paragraph (a) above;
- (c) any unregistered design rights; and
- (d) any semi-conductor topography or integrated circuit layout rights;

Intellectual Property Rights means all industrial and intellectual property rights (whether protectable by statute, at common law or in equity) in and to the Invention as may exist anywhere in the world and whether or not registered or registrable including, but not limited to, the Patent Rights, Copyright and Design Rights;

Invention means any and all inventions the subject of the Patent Application as improved, modified, developed or amended at any time up to the date of signing of this deed;

Patent Application means the patent application identified in the Schedule; and

Patent Rights means all patent rights in and to the Invention as may exist or come into existence anywhere in the world including, but not limited to:

- (a) the right to apply for and obtain patents or other similar forms of protection in respect of the Invention in any country;
- (b) the right to claim priority under any international convention or agreement including the Paris Convention (as amended) from

any such application or applications referred to in paragraph (a) above;

(c) all rights conferred by any such patent(s) or similar forms of protection when granted; and

(d) the Patent Application together with:

(i) any patent that may be granted pursuant to the Patent Application; and

(ii) any future patent(s) and patent application(s) that are based on or derive priority from or have equivalent claims to the Patent Application in any country in the world (including divisionals, continuations, continuations in part, supplementary protection certificates, reissues, extensions, innovation patents and petty patents).

2. ASSIGNMENT

2.1 **Assignment:** In consideration of the sum of NZ\$1.00 paid by the First Assignee to the First, Second and Third Assignors, and by the Second Assignee to the Fourth, Fifth and Sixth Assignors and by the Second Assignee to the First Assignee, and by the Third Assignee to the First Assignee, the receipt and sufficiency of which is in each case hereby acknowledged, the First, Second and Third Assignors hereby assign to the First Assignee absolutely, and the Fourth, Fifth and Sixth Assignors hereby assign to the Second Assignee absolutely, and the Second Assignee then assigns to the First Assignee absolutely, and the First Assignee then assigns to the Third Assignee absolutely, all of their rights, title and interest in and to:

(a) the Invention; and

(b) the Intellectual Property Rights.

2.2 **Rights of action:** The assignments effected by clause 2.1 include, without limitation, the assignment and transfer of all rights of action, powers and benefits arising from the ownership of the Intellectual Property Rights including, without limitation, the right to sue for damages and other legal and equitable remedies in respect of all causes of action arising before, on or after the date of this deed.

3. FURTHER ACTIONS

3.1 If requested by any Assignee any Assignor will, at the requesting Assignor's expense, execute all documents, give such assistance and do all other acts and things as may be necessary or desirable to give effect to the assignment in this deed and to enable the Third Assignee to prosecute, maintain, renew, enforce and defend the Intellectual Property Rights.

4. GENERAL

4.1 **Waiver:** No failure or delay by any party in exercising any right, power or privilege under this deed will operate as a waiver of such right, power or privilege, nor will any single or partial exercise

preclude any other or further exercise of any right, power or privilege under this deed.

4.2 **Facsimile counterparts:**

- (a) This deed may be executed in any number of counterparts (including facsimile copies) all of which, when taken together, will constitute one and the same instrument.
- (b) A party may enter into this deed by executing any counterpart. The parties acknowledge that this deed may be executed on the basis of an exchange of facsimile copies and confirm that their respective execution of this deed by such means will be a valid and sufficient execution.

4.3 **Governing law:** The formation, validity, construction and performance of this deed will be governed by and construed in accordance with the laws of New Zealand. The parties irrevocably agree that the Courts of New Zealand will have non-exclusive jurisdiction to hear and determine all disputes under or in connection with this deed. The parties irrevocably waive any objections to New Zealand as the forum for proceedings on the grounds of forum non-conveniens or any similar grounds.
