Second Named Inventor: Misty Hoffman

Title: Fuel Container System

WHEREAS, I, Misty Hoffman, a citizen of United States of America, residing at 3509 50th Ave. NE, Tacoma, WA 98422, have invented certain new and useful improvements as described in a provisional patent application entitled Fuel Container System, the application being identified in the United States Patent and Trademark Office ("USPTO") by U.S. Patent Application Serial No. 62356677 filed June 30th, 2016 (Att'y Docket No. ELC16-03) ("Application"); and

WHEREAS, Hoffman Family Ventures, LLC, a Colorado Limited Liability Company having an address of 612 Sunnywood Place, Berthoud, CO 80513 ("Assignee"), desires to acquire the entire right, title and interest in and to the Application and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I hereby assign and transfer to Assignee, its successors and assigns, my entire right, title, interest in and to the Application; all inventions, designs, utility models, and creative works described or shown in the Application; all applications claiming the benefit of or priority to the Application (including without limitation divisionals, continuations, continuations-in-part, reexaminations, reissues, supplemental examinations, continued prosecution applications, post-grant reviews, inter partes reviews, renewals, and extensions); all applications to which the Application claims priority or of which the Application claims benefit (including without limitation provisional applications); all substitutes of any of the foregoing; all foreign applications corresponding to or claiming priority to any of the foregoing; all Letters Patent or similar legal protection issuing on any of the foregoing; all rights and benefits of any of the foregoing under the Paris Convention for the protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, the Gulf Cooperation Council, and any applicable treaty or convention, including the right to claim the priority benefit of any of the foregoing; all rights of action and damages for any past, present, or future infringement of any of the foregoing, including all rights of action and damages arising from publication or issuance of any of the foregoing; with all such rights to be held and enjoyed by Assignee as fully and entirely as such rights would have been held and enjoyed by any and all of us had this Assignment not been made.

I authorize the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection for any of the foregoing to Assignee. I authorize Assignee, its successors and assigns, to insert in or on this Assignment the filing date and application number of the Application or any application to which this instrument pertains, including any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office or foreign equivalent thereof for recordation of this assignment. I authorize Assignee, its successors and assigns or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

I represent to Assignee, its successors and assigns, that I have not and will not execute any writing or do any act whatsoever conflicting with this Assignment. I, or my executors or administrators, will at any time upon request, without additional consideration, but at the expense
