ASSIGNMENT

WHEREAS, I, GRAHAM M. HAYES, a citizen of the United States, residing at 223 Ivy Circle, Bermuda Run, North Carolina 27006 (hereinafter "Assignor"), together with my co-inventor, SCOTT TEUSCHER, have invented, a new and original POOL CLEANER POWER COUPLING, for which a non-provisional patent application for United States Letters Patent was filed on May 11, 2017 as Patent Application No. 15/592,398 (the "Continuation-in-Part Application") which is a continuation-in-part of, and claims the benefit of priority to, United States Patent Application No. 15/006,869, filed on January 26, 2016, which claims the benefit of United States Provisional Patent Application No. 62/107,565, filed on January 26, 2015; and

WHEREAS, HAYWARD INDUSTRIES, INC., a corporation organized and existing under the laws of the State of New Jersey and having a place of business at 620 Division Street, Elizabeth, New Jersey 07201 (referred to hereinafter as "Assignee"), is desirous of further memorializing acquisition of Assignor's entire right, title and interest in and to said invention, said applications (including, but not limited to, said Continuation-in-Part Application) and any patents that may be granted thereon or therefrom;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention, including the right to claim priority, and the aforesaid applications for patent (including, but not limited to, said Continuation-in-Part Application), all original, divisional, continuation, continuation-in-part, provisional, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to HAYWARD INDUSTRIES, INC., as Assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any *inter partes* reviews, post-grant reviews, derivation proceedings, covered business method patent reviews, interferences, or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
