ASSIGNMENT

WHEREAS, Roger Edgar of Santa Barbara, CA, Pat Richardson of Santa Barbara, CA, Carolyn Chase of Santa Barbara, CA, and Chris Woodward of Barnet, United Kingdom, Assignors, have invented a new, original, and ornamental design for FLOOR LIGHT MAGNIFIER ASSEMBLY, for which an application for United States Letter Patent was filed on December 29, 2016, and assigned Serial No. 29/589,293; and

WHEREAS, Assignors believes themselves to be the original, and first inventors of the invention disclosed and claimed in the application for Letter Patent; and

WHEREAS, Gold Crest LLC., a California limited liability company, having a place of business at 650 Ward Drive, Santa Barbara, CA 93111, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee the entire right, title and interest in and to the invention, the application, and any Letters Patent that might be granted for the invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and other assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be

necessary or desirable for issuing, sustaining, reissuing or enforcing Letter Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignors authorize and request the Commissioner of Patents and Trademarks for the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest of the invention.

IN WITNESS WHEREOF, Assignors have executed this assignment.
