ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

Brian McGarvey of County Cork, Ireland
Stephen Bellis of County Cork, Ireland
John Carlton Jackson of County Cork, Ireland

hereby sell, assign and transfer to SensL Technologies Ltd., an Irish Corporation, having a place of business at Building 6800, Avenue 6000, Cork Airport Business Park, County Cork, Ireland, its successors and assigns, the entire right, title and interest throughout the world in our invention in:

A SEMICONDUCTOR PHOTOMULTIPLIER

for which we filed a United States Patent Application on April 28, 2017, which now has Application No. 15/582,158, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.
