ASSIGNMENT OF PATENT APPLICATION

This assignment is directed to the patent applications as identified as:

Title: **Wound Dressing Having Antimicrobial Properties**

U.S. Serial No. 61/525,920

Filed: 22 August 2011

Title: **A Family of Silver(I) Periodate Compounds Having Broad Antimicrobial Properties**

PCT Patent Application No. PCT/CA2012/000796

Filed: 22 August 2012

WHEREAS, **Innovotech Inc.** of Suite 101 – 2011 94 Street, Edmonton, Alberta T6N 1H1 Canada,

its heirs, successors, legal representatives and assigns (hereinafter designated as the Assigned) is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned has sold, assigned, and transferred, any by these presents does sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States of America and any and all foreign countries, their territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America and any and all foreign countries, their territories, dependencies and possessions; and to any and all divisions, reissues, continuations, conversions and extensions thereof for the full term or terms for which the same may be granted.

The undersigned agrees to execute all papers necessary in connection with this application and any continuing, divisional, conversion or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation, division, conversion or reissue thereof or Letters Patent(s) or reissue patent issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference.

The undersigned agrees to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The undersigned agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid United States of American and any foreign patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by the undersigned if this Assignment and sale had not been made.

The undersigned hereby authorizes and requests the Patent and Trademark Office Officials in the United States of America and in any foreign countries to issue any and all Letters Patent(s) resulting from said application or any continuing, divisional conversion or reissue applications thereof to the said Assignee, as Assignee of the entire interest and hereby covenants that he/she has the full right to convey the entire interest herein assigned, and that he/she has not executed, and will not execute, any agreement in conflict herewith. The undersigned hereby grants the law firm of William J. Bunden the power to insert any further identification which may be necessary or desirable in order to comply with the rules of the U.S. or any foreign Patent and Trademark Office.

The undersigned hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment.

In witness whereof, executed by the undersigned on the date opposite the undersigned name.
