NOTICE
OF
GRANT OF SECURITY INTEREST
IN
PATENTS

United States Patent and Trademark Office

Ladies and Gentlemen:

Please be advised that pursuant to the Security and Pledge Agreement dated as of June 16, 2017 (together with all amendments, restatements, supplements or modifications, if any, from time to time hereto, this “Security Agreement” – capitalized terms used and not otherwise defined herein have the meanings ascribed therein) by and among the Grantors from time to time party thereto (each an “Grantor” and collectively, the “Grantors”) and SARATOGA INVESTMENT FUNDING LLC, as administrative agent (including any successor, participant, assignee or transferee thereof, “Administrative Agent”) for itself and the Lenders referenced therein, the undersigned Grantor has granted to Administrative Agent, for the ratable benefit of itself and the Lenders, a continuing security interest in such Grantor’s right, title and interest in and to the Patents, including the patents and patent applications set forth on Schedule 1 attached hereto,.

The undersigned Grantor and the Administrative Agent, on behalf of itself and the Lenders, hereby acknowledge and agree that the security interest in the patents and patent applications set forth on Schedule 1 attached hereto (i) may only be terminated in accordance with the terms of the Security Agreement, (ii) is not to be construed as an assignment of any patent or patent application, and (iii) in the event of any conflict between the terms of this notice and the terms of the Security Agreement, the terms of the Security Agreement shall govern. This notice may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
