PATENT ASSIGNMENT

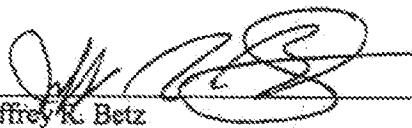

For and in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of Jeffrey R. Betz and Michael J. Lobsinger (each, an "Assignor"), hereby assigns, sells, transfers and conveys to Float Tech, Inc., a Delaware corporation, having a place of business located at 216 River Street, Troy, NY 12180 ("Assignee"), Assignor's entire right, title, and interest in, to and under the patents set forth below, including all priority rights for any countries of the world arising from the patent applications; any and all patents in any country of the world that may be issued on the aforesaid patent applications; all reissues, divisions, continuations, continuations-in-part, or extensions of the patent applications and patents; and all inventions disclosed, set forth, or claimed in the following patent applications and patents (collectively, the "Patent Rights"):

Personal Flotation Device:	US Patent Application No. 12/174,452 Australian Patent Application No. 2009271639 European Patent Application No. 09798279.7 International Patent Application No. PCT/US200/004067
----------------------------	---

Assignor agrees Assignee may apply for patents of or in any and all countries for any inventions included in the Patent Rights and may claim all rights of priority without further authorization from Assignor. All of the foregoing rights shall be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Patent Rights may be granted, as fully and entirely as the same would have been held by Assignor had this assignment not been made, together with all claims for damages by reason of infringement occurring prior to, on or following the date hereof, with the right to sue for, and collect the same for, its own use and benefit and for the use and benefit of its successors and assigns. Assignor agrees to execute all papers necessary in connection with the protection, filing, prosecution, maintenance, assignment, or enforcement of the Patent Rights, and generally to reasonably aid said Assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing the Patent Rights in all countries. Assignor requests any official whose duty it is to issue patents, to issue any and all patents granted for the Patent Rights to the above-named Assignee, its successors and assigns, at Assignee's expense.
