

ASSIGNMENT

WHEREAS, I, the undersigned Michael S. Didion, being a citizen of the United States and residing respectively in the County of St. Charles, and State of Missouri, is an employee of Didion Manufacturing Company, a Missouri corporation, having a place of business located at 7000 West Geneva Drive, St. Peters, Missouri 63376, and I understand and acknowledge that I enjoy such relationships, in part, because of my potential capacity to invent, and that one of my duties as such employee is to endeavor to make inventions and improvements upon developments for the benefit of my corporation, and that as a condition of said relationships that all patent rights appertaining to any invention by me, in the course of my relationship, be assigned by myself unto the said Didion Manufacturing Company, without any additional charge whatsoever in addition to our salaries;

AND WHEREAS, in the course of said relationship, I, the undersigned, Michael S. Didion, is the inventor having invented certain improvements in

Interlocking Liner Segments For A Tumbling Unit

for which application was made to obtain provisional patent of the United States.

NOW, THEREFORE, know all men by these presents that in compliance with the duties and obligations inherent in my aforesaid agreements, and in further consideration of a bonus of One Dollar (\$1.00) in hand paid by Didion Manufacturing Company, (receipt whereof by myself is hereby acknowledged) I, said Michael S. Didion, do hereby formally assign, transfer, and set over unto said Didion Manufacturing Company, a corporation, its successors and assigns, all right, title, and interest in and to the aforesaid invention and patent application upon Interlocking Liner Segments For A Tumbling Unit, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to fully effectuate this agreement.

AND, I further grant to Didion Manufacturing Company, its successors and assigns, the right to claim for any application for said invention the full benefit of

any international agreement between the United States and any foreign country or countries.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue the said Patent, when granted, to the said Didion Manufacturing Company, its successors and assigns, as assignee of the entire right, title, and interest in and to the said invention, for the sole use and behoof of said Didion Manufacturing Company, a corporation, for its successors and assigns, to the full ends of the term for which Provisional Patent may be granted.
