FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

THIS FIRST LIEN INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT (this "Intellectual Property Security Agreement Supplement"), dated as of June 22, 2017, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of Barclays Bank PLC, as Administrative Agent (in such capacity, the "Administrative Agent") for the Secured Parties (as defined in the Credit Agreement (as defined below)).

WITNESSETH:

WHEREAS, HBC Holdings LLC, World and Main (Cranbury) LLC (f/k/a Howard Berger Co. LLC), HBC Chemical LLC, One Middlesex Warehousing LLC, Wordlock, Inc., HBC/FQ LLC, Handy Holdings LLC, World and Main (Houston) LLC (f/k/a Handy Hardware LLC), Plumbing Holdings Corporation and Jones Stephens Corp. (each a "Borrower" and collectively, "Borrowers"), Hardware Midco LLC ("Holdings"), the Administrative Agent and the Lenders from time to time party thereto have entered into the First Lien Term Loan Credit Agreement, dated as of September 30, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have severally agreed to make Loans for the account of the Borrowers pursuant to, and upon the terms and subject to the conditions specified therein and the Lender Counterparties to enter into Cash Management Obligations and Swap Agreements;

WHEREAS, each Grantor has agreed, pursuant to the Guaranty and Collateral Agreement (First Lien) dated as of September 30, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement") and the Intellectual Property Security Agreement (First Lien), dated as of September 30, 2014 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of the other Loan Parties; and

WHEREAS, under the terms of the Collateral Agreement, the Grantors have granted a security interest in the Additional Intellectual Property Collateral (as defined in Section 2 below) of the Grantors to the Administrative Agent for the ratable benefit of the Secured Parties and each of the Grantors has agreed as a condition thereof to execute this Intellectual Property Security Agreement Supplement to supplement the Intellectual Property Security Agreement and for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement and the Collateral Agreement.

SECTION 2. Grant of Security Interest in Additional Intellectual Property Collateral. Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured

Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "Additional Intellectual Property Collateral"):

- (a) the Patents (as defined in the Collateral Agreement) set forth on Schedule A hereto;
- (b) the Trademarks (as defined in the Collateral Agreement) set forth on Schedule B hereto; and
- (c) the Copyrights (as defined in the Collateral Agreement) set forth on Schedule C hereto.

SECTION 3. Security for Obligations. The grant of a security interest in the Additional Intellectual Property Collateral by each Grantor under this Intellectual Property Security Agreement Supplement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Intellectual Property Security Agreement Supplement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 4. Collateral Agreement. The security interest granted pursuant to this Intellectual Property Security Agreement Supplement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Collateral Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Additional Intellectual Property Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

SECTION 5. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with such Grantor's Additional Intellectual Property Collateral subject to a security interest hereunder.

SECTION 6. Counterparts. This Intellectual Property Security Agreement Supplement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

SECTION 7. Governing Law. This Intellectual Property Security Agreement Supplement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 8. Severability. In case any one or more of the provisions contained in this Intellectual Property Security Agreement Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Intellectual Property Security Agreement Supplement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
