JOINT ASSIGNMENT

WHEREAS, **Frans Van Giel, Pol Lombaert, Matthias Wyseur and Leo Marie Richard Bevernage**, hereinafter referred to as the Assignors, have jointly invented certain inventions relating to Covering Panel and Process of Producing Covering Panels, for which they jointly executed on even date herewith an application for Letters Patent to be filed in the United States Patent Office

(The inventors authorize their attorney to complete the Serial Number and filing date when known.)

AND WHEREAS, **Beaulieu International Group NV**, a Belgian corporation, located and doing business at Holstraat 59, 8790 Waregem, Belgium, hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title and interest in and to said invention and application, including any and all patent applications, divisions and continuations thereof, and any and all Letters Patent which may be granted therefor, including any and all renewals, reissues, and prolongations thereof;

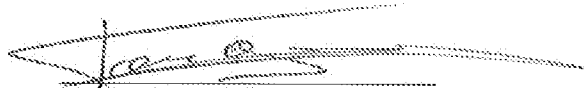

NOW, THIS WITNESSETH that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, said Assignors hereby assign, sell, and transfer to said Assignee, its assigns and legal representatives, the entire and exclusive right, title, and interest in and to said invention and application, including any and all divisions and continuations thereof, and any and all Letters Patent which may be granted therefor, including any and all renewals, reissues, and prolongations thereof, said Assignee and its assigns and legal representatives to have, hold, exercise, and enjoy the said invention and applications, including any and all divisions and continuations thereof, and any and all Letters Patent which may be granted therefor, including any and all renewals, reissues, and prolongations thereof, with all the rights, powers, privileges, and advantages in anywise arising from or appertaining thereto, for and during the term or terms of any and all such Letters Patent when granted, including any and all renewals, reissues, and prolongations thereof, for the use and benefit of said ASSIGNEE and its assigns and legal representatives, in as ample and beneficial a manner to all intents and purposes as said Assignors might or could have held and enjoyed the same, if this assignment had not been made;

AND said Assignors hereby agree to execute all papers that may be necessary to file applications in the United States and foreign countries for said invention and to assign the same to said Assignee, or any assignee acquiring title to said invention, and to execute any other papers that may be needed in connection with filing said application and securing Letters Patent thereon;

AND said Assignors authorize and request the Commissioner for Patents to issue Letters Patent on said application, and on any and all divisions and continuations thereof, to said ASSIGNEE, its assigns and legal representatives, in accordance herewith.

IN TESTIMONY WHEREOF, this assignment is executed by said Assignors the day and year set forth below.
