**Grant of Security Interest
in United States Patents**

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, TELADOC, INC., a Delaware corporation, having its chief executive office at 2 Manhattanville Road, Suite 203 Purchase, New York 10577 and BEST DOCTORS, INC., a Delaware corporation, having its chief executive office at 60 State Street, Suite 600 Boston, Massachusetts 02109 (each, a "Grantor" and together, the "Grantors"), hereby grant to JEFFERIES FINANCE LLC, as Collateral Agent (the "Grantee"), with offices at 520 Madison Avenue, New York, New York 10022, a security interest in all of the Grantors' rights, titles and interests in, to and under the following, whether presently existing or hereafter arising or acquired which, includes the Grantors' rights to all United States patents and patent applications, including, without limitation the patents and patent applications referred to in Schedule A hereto, and, with respect to any and all of the foregoing:

- (i) all reissues, reexaminations, divisions, continuations, continuations-in-part, revisions, renewals or extensions thereof;
- (ii) all claims for, and rights to sue for, past, present or future infringements and other violations thereof;
- (iii) all Proceeds of the foregoing, including, without limitation, all income, license fees, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past, present or future infringements or other violations thereof; and
- (iv) all other rights corresponding thereto throughout the world.

THIS GRANT is granted in conjunction with the security interests granted to the Grantee pursuant to the Security Agreement among the Grantors, the Grantee and certain other parties dated as of July 14, 2017, as amended, restated, supplemented or otherwise modified from time to time (the "Security Agreement"). The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

This Patent Security Agreement may be authenticated by the parties hereto in any number of counterparts, each of which shall collectively and separately constitute one agreement.

The Grantors authorize and request that the Commissioner of Patents and Trademarks and any other applicable government officer record this Grant of Security Interest in United States Patents.

This Grant of Security Interest in United States Patents shall be governed by, and construed in accordance with the laws of the State of New York.

This Grant of Security Interest in United States Patents may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Grant of Security Interest in United States Patents as of the day and year first above written.
