ASSIGNMENT

WHEREAS, I, CASEY DANFORD, residing at 1140 Plett Road, Cadillac, Michigan 49601 (the "Assignor"), have invented a new and original RESISTANCE BREATHING DEVICE for which a U.S. utility patent application was filed on October 19, 2016 as U.S. Application Serial No. 15/297,911.

WHEREAS, TRAININGMASK L.L.C., a limited liability company organized and existing under the laws of the State of Michigan and having a place of business at 2141 Plett Road, #232, Cadillac, Michigan 49601 (the "Assignee"), is desirous of acquiring the entire right, title and interest of the Assignor in and to the aforesaid patent application, said invention and any Letters Patents that be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid patent application, all original, non-provisional, divisional, continuation, continuation-in-part, substitute, reissue, and reexamination applications and patents applied for or granted therefor or therefrom in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to said Assignee herein as assignee of the entire interest therein; and the undersigned for them and their legal representatives, heirs and assigns do hereby agree and covenant, without further remuneration, to execute and deliver all original, non-provisional, divisional, continuation, continuation-in-part, substitute, reissue, and reexamination and other applications for patent on said inventions and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said inventions, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said inventions in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
