ASSIGNMENT

WHEREAS, I, the undersigned ("the Assignor"), am the inventor of a certain new and useful invention and discovery entitled "METHODS, SYSTEMS, AND MEDIA FOR AUTHENTICATING USERS USING BIOMETRIC SIGNATURES" ("the Invention") for which a patent application was filed with the United States Patent and Trademark Office on 05/11/2017 as U.S. Patent Application Number 15/593,037 ("the Application").

WHEREAS, Synergex Group, a corporation formed under the laws of the State of Connecticut and having a primary address of 19 Cobb Island Drive, Greenwich, CT 06830, which together with its successors and assigns (collectively "SG") is desirous of acquiring an undivided one-third interest in and to the title, rights, benefits, and privileges hereinafter recited.

WHEREAS, Wayne Taylor, an individual residing at 2117 East Teakwood Place, Chandler, AZ 85249, which together with its successors and assigns (collectively "WT") is desirous of acquiring an undivided one-third interest in and to the title, rights, benefits, and privileges hereinafter recited.

WHEREAS, Pham Holdings Inc., a corporation formed under the laws of Washington State and having a primary address of 9227 24th Court SE, Lacey, WA 98513, which together with its successors and assigns (collectively "PHI") (SG, WT, and PHI collectively referred to hereinafter as "the Assignees") is desirous of acquiring an undivided one-third interest in and to the title, rights, benefits, and privileges hereinafter recited.

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignees all of Assignor's rights, title, and interests in and to the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any applications and/or patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including utility applications, divisionals, continuations, continuations-in-part, international applications, and/or foreign regional and/or national applications); any application from which the Application claims priority (including provisional applications, non-provisional applications, international applications, foreign regional applications, and/or foreign national applications); or any application based in whole or in part on any of the foregoing.

Assignor agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with ISign International Inc., its successors and assigns, (collectively "ISign"), and the Assignees in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignees. Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by ISign and thereafter for reasonable compensation as determined by ISign, perform such other acts as may

be reasonably required when requested by ISign and/or the Assignees, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in the Assignees.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal on this date 7/14/2017.
I represent and warrant that I have full power to make this assignment and that the rights, titles, and interests assigned are not encumbered by any grant, license, or right heretofore given.
