**ASSIGNMENT BY INVENTORS**

**THIS ASSIGNMENT** is made by Fred ZINK, having an address at 370 East Bayview Dr., Port Clinton, OH 43452 (hereinafter referred to as "Assignor").

**WHEREAS**, Assignor has invented certain new and useful improvements in SPINNING WING DECOY AND WINGS FOR DECOY (hereinafter "Invention"), set forth in U.S. Patent Application, No. 15/636,995, filed on June 29, 2017 /SM/ (hereinafter "Application"), Attorney Docket No. 2054327-5163US; and 7/19/2017

**WHEREAS**, Plano Molding Company, having a place of business at 431 East South Street, Plano, Illinois 60545 (hereinafter referred to as Assignee), is desirous of acquiring the entire rights, titles and interests in and to said Invention and said Application for Letters Patents of the United States, and in and to any Letters Patent of the United States to be obtained therefor and thereon.

**NOW, THEREFORE**, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire rights, title and interests in and to said Invention and said Application, and in and to any and all direct and indirect utility, design, utility model, divisions, continuations and continuations-in-part of said Application, and any and all Letters Patents in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extension of said Letters Patents, and all rights under the International Convention for Protection of Industrial Property including all rights of priority, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the lawful owner of rights, titles and interests in and to the said Invention and said Application, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said Invention, at the expense of Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns shall advise: that any proceeding in connection with said Invention, or said patent applications for Letters Patent (including the Application), or any proceeding in connection with any Letters Patent or applications for Letters Patent for said Invention in any country, including but not limited to derivation proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Director of the United States Patent and Trademark Office to issue said Application for Letters Patents of the United States to Assignee, as Assignee of said Invention and the Letters Patents to be issued thereon, for the sole use and benefit of Assignee, its successor, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment the application serial numbers, and any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

**MCGUIREWOODS LLP**

including all practitioners at Customer Number 23345.

**AND** Assignor acknowledges an obligation of assignment of said Invention to Assignee at the time said Invention was made.

Executed by the inventor (Assignor) on the date indicated.

IN WITNESS WHEREOF, Assignor has hereunto set hand and seal.
