## Assignment Deed

---

This assignment deed is made on the date specified in the Schedule between the following parties:

---

Assignor                              DAIRY FUTURES LIMITED

---

Assignee                              DAIRY AUSTRALIA LIMITED

---

Background                          1     The Assignor is the owner of an interest in the Intellectual Property described in the Schedule.

    2     The Assignor has agreed to assign an interest in the Intellectual Property to the Assignee.

---

This deed witnesses                    that in consideration of, among other things, the mutual promises contained in this deed, the parties agree as set out in the Operative part of this deed.

---

### 1 Assignment

---

The Assignor assigns to the Assignee and the Assignee accepts from the Assignor an interest in the Intellectual Property, free from all encumbrances, together with:

- (i) all right, title and interest owned by assignee in US Patent Application No. 14/769,423, entitled Manipulation of Self-Incompatibility in Plants, filed on February 19, 2014, and any continuation or divisional application filed in the United States Patent and Trademark Office claiming the benefit thereof; and
- (ii) all rights, if any, that the Assignor has to take action against third parties for infringement of the Intellectual Property, whether or not the infringement took place before the date of this deed, including the right to sue and collect damages for past infringement.

### 2 Further action

---

The Assignor must execute all documents necessary to enable the Assignee to have the Assignee's name entered in any registers of intellectual property that are appropriate as being a co-proprietor of the Intellectual Property.
