PATENT ASSIGNMENT

This Patent Assignment is by and between **C. R. Bard, Inc.**, a corporation organized and existing under the laws of New Jersey, having its principal place of business at 730 Central Avenue, Murray Hill, New Jersey, 07974 ("Assignor"), and **Bard Peripheral Vascular, Inc.**, a corporation organized and existing under the laws of Arizona, having its principal place of business at 1415 West 3rd Street, Tempe, Arizona, 85280 ("Assignee").

WHEREAS, Assignor is the current assignee of the United States Letters Patents on Schedule A ("Letters Patents"); and

WHEREAS, Assignor is the current legal title owner of the Letters Patents;

WHEREAS, Assignee is the current beneficial owner of the Letters Patents by virtue of the fact that Assignee directly controls all aspects of its products that are covered by the Letters Patents, including but not limited to their development, sales, distribution, and marketing;

WHEREAS, legal title and economic ownership to the Letters Patents rightfully belong and are intended to belong, to Assignee;

WHEREAS, Assignee has borne and continues to bear the financial benefits and risks of the sales of its products covered by the Letters Patents; and

WHEREAS, this Patent Assignment reflects the Assignor's and Assignee's recognition that both legal title and economic ownership to the Letters Patents belongs to Assignee.

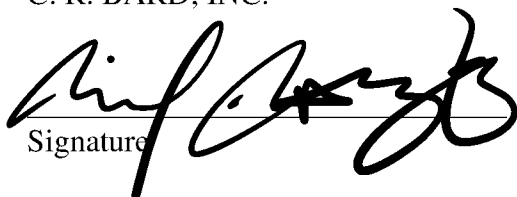

NOW, THEREFORE, to vest both economic ownership and legal title in Assignee, where ownership properly resides and said title properly belongs, Assignor hereby assigns to Assignee, its successors, assigns and legal representatives, the entire right, title and interest in and to the Letters Patents, and all proceeds thereof (including but not limited to all money damages awarded in connection with any patent infringement suit), and all reissues, extensions thereof, and in and to any and all causes of action (excepting claims upon the United States of America) for past, present, and future infringement of any of the Letters Patents, or relating to any inventions or discoveries described therein, including the right to collect any and all money damages, including lost profits and any royalties, for past, present, and future infringements and the right to sue on all such causes of action for their own use and benefit and the use and benefit of their successors, assigns and legal representatives, each and every of the foregoing rights, titles and interests herein assigned to be held and enjoyed by Assignee, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

IN TESTIMONY WHEREOF, Assignor has caused this Assignment to be duly executed in its name, and behalf by affixing its hand and seal thereto by its designated officer, director, or agent, whose name and title appear below.
