WORLDWIDE ASSIGNMENT

WHEREAS I, Michael SHIVAS whose full post office address is 745 Maltman Avenue, Los Angeles, CA 90026, USA is the inventor of the invention entitled **REMOTELY CONTROLLED MOTILE DEVICE SYSTEM** which is described in United States Patent Application No. 15/385,728 filed December 20, 2016.

AND WHEREAS, Spin Master Inc. (the "Assignee"), a corporation duly organized under the laws of the State of California, whose full postal address is 5880 West Jefferson Boulevard, Los Angeles, CA 90016, USA, is desirous of acquiring from me all of my right, title, and interest in Canada, the United States of America, and all other countries in and to said invention, said patent application, and any Letters Patent that may be obtained therefor;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of all of which is hereby acknowledged, I, Michael SHIVAS by these presents confirm that I do hereby sell, assign and transfer unto the Assignee, my full right to the said invention in Canada, the United States of America, and all other countries and my entire right, title and interest in and to any and all Letters Patent which may be granted therefor, and my entire right, title and interest in said patent application, any divisions, continuations, continuations-in-part, extensions of, and supplementary disclosures thereto, and in and to any additions or modifications to said invention and, in jurisdictions where available, the right to claim damages for past infringement upon any right to said invention, together with my right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said patent applications.

I agree that we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said inventions and for additions and modifications thereto in any and all countries, and

to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the Assignee, the assignee of my entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made.

SIGNED this 18th day of July, 2017, at California United States.
