ASSIGNMENT

WHEREAS, the undersigned, Kevin Peterson, residing at 654 SW Fuge Road, Stuart, FL 34997; David Dupont, residing at 621 Inlet Road, North Palm Beach, FL 33498; and Donald Darling, residing at 1030 Shady Lakes Circle, Palm Beach Gardens, FL 33418 (hereinafter "ASSIGNORS") are the inventors of certain inventions or improvements for MODULAR FLOTATION SYSTEM, for which ASSIGNORS are concurrently executing and filing a nonprovisional application for United States Letters Patent claiming the benefit of provisional application SN 62/368,636, filed July 29, 2016, said nonprovisional application being filed substantially concurrently herewith (and we authorize counsel to enter the serial number and filing date of the nonprovisional application: 15/657,931, filed July 24, 2017); and

WHEREAS, Continental Shelf Associates, Inc., a corporation having a place of business at 8502 SW Kansas Avenue, Stuart, FL 34997 US (hereinafter referred to as "ASSIGNEE") is contractually entitled and is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to said provisional and nonprovisional applications, including all rights to claim the priority thereof, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any designated country or extension country;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents individually and collectively hereby sell, assign, transfer and set over, to said ASSIGNEE, the entire right, title and interest in and to said inventions or improvements and said provisional, international and all related applications including any and all national phases, continuations, divisions, renewals and substitutes for said application, and in, to and under any and all Letters Patent that have been or may yet be granted on or as a result thereof, together with all rights to claim the priority of said application or

applications under any Treaty or statute, and any reissue or reissues or extension or extensions, the same to be held and enjoyed by said ASSIGNEE, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by ASSIGNORS, had this assignment, sale and transfer not been made;

ASSIGNORS hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith, and further covenant and agree each time request is made and without undue delay, to execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent in said ASSIGNEE, its successors, assigns, nominees, or legal representatives, and agrees to communicate to said ASSIGNEE or to its nominee all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, and reissue applications, to make all rightful oaths, and generally to do everything possible to aid said ASSIGNEE, its successors, assigns, nominees and legal representatives to obtain and enforce for its own benefit proper patent protection for said inventions or improvements in the United States and its possessions and territories and in all other countries;

ASSIGNORS each authorize and request the authorities of all countries or regions that may be designated in or may claim the priority of said international application, to issue to said ASSIGNEE the entire right, title and interest, in and to any and all Letters Patent for said inventions or improvements, including any and all Letters Patent which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.

IN WITNESS WHEREOF, ASSIGNORS sets their hands and seals, intending to be legally bound.
